

43.58 Powers and duties.

(1) The library board shall have exclusive control of the expenditure of all moneys collected, donated or appropriated for the library fund, and of the purchase of a site and the erection of the library building whenever authorized. The library board also shall have exclusive charge, control and custody of all lands, buildings, money or other property devised, bequeathed, given or granted to, or otherwise acquired or leased by, the municipality for library purposes.

(2)

(a) The library board shall audit and approve all expenditures of the public library and forward the bills or vouchers covering the expenditures, setting forth the name of each claimant or payee, the amount of each expenditure, and the purpose for which it was expended, to the appropriate municipal or county financial officer or, in the case of a school district, the school district clerk. The library board shall include a statement, signed by the library board secretary or other designee of the library board, that the expenditure has been incurred and that the library board has audited and approved the expenditure. The appropriate municipal, county, or school district official shall then pay the bill as others are paid.

(b) Notwithstanding par. (a), regular wages or salary or other recurring payments, authorized by the library board and verified by the appropriate library official, may be paid by the appropriate municipal, county, or school district official by the date due or, in the case of salaries, by the regular pay day. The library board shall audit and approve any such payment at its next regular meeting.

(3) Any person having a claim or demand against the municipality or county growing out of any act or omission of the library board shall file with the library board a written statement thereof. If the claim or demand or any part thereof is disallowed, the claimant may bring an action against the municipality or county.

(4) Notwithstanding ss. [59.17 \(2\) \(br\)](#) and [59.18 \(2\) \(b\)](#), the library board shall supervise the administration of the public library and shall appoint a librarian, who shall appoint such other assistants and employees as the library board deems necessary, and prescribe their duties and compensation.

(5) The library board may employ competent persons to deliver lectures upon scientific, literary, historical or educational subjects; and may cooperate with the University of Wisconsin System, technical college district boards, the historical society, the department, cooperative educational service agencies, school boards and other educational institutions to secure such lectures or to foster and encourage by other means the wider use of books and other resource, reference and educational materials upon scientific, historical, economic, literary, educational and other useful subjects.

(6)

(a) Within 60 days after the conclusion of the fiscal year of the municipality or county in which the public library is located, the library board shall make a report to the division and to its governing body. The report shall state the condition of the library board's trust and the various sums of money received for the use of the public library during the year, specifying separately the amounts received from appropriations, from the income of trust funds, from rentals and other revenues of the public library and from other sources. The report shall state the condition of all funds in the library board's control and shall state in detail the disbursements on account of the public library during that fiscal year.

(b) The report to the division shall include data concerning library materials, facilities, personnel, operations and such other information as the division requests.

(c) The report to the division shall contain a statement by the library board indicating whether the public library system in which the library participated during the year of the report did or did not provide effective leadership and adequately meet the needs of the library and an explanation of why the library board believes so. The division shall design the form of the statement so that it may be removed from the report and forwarded to the division before it is sent to the public library system.

(7) The library board may receive, manage and dispose of gifts and donations as follows:

(a) All persons wishing to make donations of property for the benefit of a public library may vest the title thereto in the library board, to be held and controlled by the board, when accepted, according to the terms of the deed of gift, devise or bequest. As to such property the board shall be deemed special trustees.

2. If a gift, bequest, or endowment is made to any public library, the library board may pay or transfer the gift, bequest, or endowment, or its proceeds, to the treasurer of the municipality or county in which the public library is situated; may entrust the gift, bequest, or endowment to a public depository under ch. bm. The library board's use of any disbursement made under subd. [3. a.](#) shall be consistent with the intent of the donor of the gift, bequest, or endowment and with the agreement between the library board and the charitable organization or community foundation.

c. The library board exercises its rights over the use of each disbursement made under subd. [3. a.](#) in accordance with the law applicable to trust investments and the provisions of this chapter.

(c) If any such treasurer or financial secretary holds any property belonging to the public library, the library board shall require a bond from the treasurer or financial secretary to the library board in such sum, not less than the amount of such property so held by him or her, and with such sureties as the library board requires. The bond shall be conditioned in substantially the same form as the ordinary bond required from the treasurer of the municipality or county, with the necessary changes.

(d) The treasurer or financial secretary shall make an annual report to the library board showing in detail the amount, investment, income and disbursements from the trust funds in his or her charge. Such report shall also be appended to the annual report of the library board under s. [43.58 \(6\)](#).
