Hello,

My name is Kathy King. I live at [REDACTED] Hammersley Rd. I am scheduled to speak at the meeting tonight to oppose the pocket proposal added to the project. We are strongly against any trees being cut down and any infringement on our neighbors yards.

We are also opposed to having bikes on the bike/walk path. It could cause accidents between walkers, the bikers and people backing out of their driveway. In addition opposed to the idea of no parking on any part of the street . We were hoping to be allowed parking on one side of the street or the other. If the bus route and the emergency vehicle route was discontinued it would allow more options to be examined. I am sending you this email in case I do not make the meeting tonight.
