Re: Certificate of Appropriateness for 511 North Carroll

Mr. McKiernan,

At its meeting on November 11, 2013, the Madison Landmarks Commission reviewed, in accordance with the Madison General Ordinances pertaining to provisions of the Landmarks Ordinance, your plans to alter the exterior of the landmark building located at 511 North Carroll Street in the Mansion Hill Historic District. The Landmarks Commission voted to approve the issuance of a Certificate of Appropriateness for the alteration of the exterior which includes the reconstruction of the front porch and the installation of two replacement windows on the front elevation that were previously infilled with glass block.

This letter will serve as the "Certificate of Appropriateness" for the project. When you apply for a building permit, take this letter with you to the Building Inspection Counter, Department of Planning and Development, Lower Level Suite LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.

Please note that any design changes from the plans submitted must receive approval by the Landmarks Commission, or staff designee, prior to the issuance of the building permit.

Please also note that failure to comply with the conditions of your approval is subject to a forfeiture of up to \$250 for each day during which a violation of the Landmarks Commission ordinance continues (see Madison General Ordinances Sec. 33.19).

Please contact me with any questions (266-6552 or ascanlon@cityofmadison.com).

Sincerely,

Amy Loewenstein Scanlon, Registered Architect
