RE: State Street Parking Ramp (Lake Street) Redevelopment RFP

Over the past several months, staff developed a draft RFP for the redevelopment of the State Street Parking Ramp at Lake Street and State Street.

The proposed redevelopment includes a new public parking structure, intercity bus terminal, first floor retail, and housing. Staff met with staff from Parking Utility, Transportation, Economic Development, UW Planning, UW Transportation, and District 4 and 8 Alders to gather feedback on the draft RFP.

Staff seeks input from the Transportation Commission on the draft RFP prior to moving forward with the release of the RFP.
