Dear Mr. Hurley,

Among the conditions of the Separated Class B Combination Beer and Liquor license renewal for 552 State Street, you are required to update the Alcohol License Review Committee at their regular November 26, 2012 meeting (this meeting was originally scheduled for November 21, 2012) on the dialogue you have had with your landlord concerning noise issues.

Please make arrangements to update the committee at their November 26, 2012 meeting in room 201 of the City-County Building at 5:30pm (address above).

Thank you for addressing this matter. I am enclosing a copy of the separated license renewal condition for your review.
