## INSTRUCTIONS

### Prior to Application Submittal

- 1. Pre-Application Meeting.** Prior to the submittal of a Land Use Application, the applicant is strongly encouraged to meet with Planning and Zoning staff to discuss the development proposal, review concept plans in detail, and discuss the approval process. Applicants are also strongly encouraged to meet with the district alderperson, adjoining neighbors/ property owners, and neighborhood association(s), if applicable, prior to submitting an application. If Urban Design Commission (UDC) review or approval is also required, a pre-application meeting with the UDC Secretary is required. Contact the Planning Division at [Planning@cityofmadison.com](mailto:Planning@cityofmadison.com) or (608) 266-4635 for further assistance and to set up an appointment.
- 2. Pre-Application Notification.** A letter or email notifying 1) the [Aldersperson](#), 2) any [City-registered neighborhood association\(s\)](#), and 3) any [City-listed business association\(s\)](#) serving the subject site, must be sent by the applicant **at least 30 days** prior to submitting an application. This notice **must clearly state** that the applicant is **“intending to file a [demolition/conditional use/zoning map amendment] application”** and **specify the project address**. If this notice requirement is not met, an application will **not be accepted**. Notices may also include other information such as contact information, timelines, or descriptions of the proposal. **Note:** The alderperson and the Director of Planning & Community & Economic Development may **waive or reduce** the 30-day notification requirement. A copy of the pre-application notification letters and, if applicable, any correspondence granting a waiver or reduction of the 30 days, is required to be submitted as part of the application materials.

**Additional Notification Requirement for Demolition Permits:** For all Demolition requests, posting notice of the requested demolition to the [City’s Demolition Listserv](#) is required **at least 30 days** prior to submitting an application.

### Submitting Your Application

- 3. Submittal Deadline Date.** Application submittal deadlines are as noted on the annual [Development Review Schedule](#) for the Plan Commission (PC) and Urban Design Commission (UDC). These are Wednesdays at 12:00 p.m., unless noted otherwise.
- 4. Where to Email Your Materials.**

**Initial Submittals:** Individual PDF files of each item submitted (See Page 6 for the list) should be emailed to [PCApplications@cityofmadison.com](mailto:PCApplications@cityofmadison.com). This email must include the project address, project name, and applicant name.

**For Joint UDC + Land Use Applications:** If your project requires both UDC and Land Use Application submittals, a completed [UDC Application](#) and accompanying submittal materials (See Page 2 of the UDC Application) are also required to be sent to [UDCApplications@cityofmadison.com](mailto:UDCApplications@cityofmadison.com) by the submittal deadline. Late application submittals will be scheduled for the next application review cycle.

**Final Sign-Off Submittals:** [Zoning@cityofmadison.com](mailto:Zoning@cityofmadison.com). See No. 14 on the following page for more information.

- 5. Fee Payment.** Refer to the Fee Schedule on Page 6. Make checks payable to *City Treasurer* and mail it to the following address: *City of Madison Building Inspection; P.O. Box 2984; Madison, WI 53701-2984*. Please include a cover page with the check which includes the project address, brief description of the project, and contact information.
- 6. REVISED Submittal Method and Format Requirements.**

**Digital Materials Only.** Until further notice, **only digital (PDF) submittals** are being accepted for all Land Use applications (this is the same for Subdivision and Urban Design Commission (UDC) applications).

**Email Size Limits.** Note that **an individual email cannot exceed 20MB** and it is the **responsibility of the applicant** to present files in a manner that can be accepted. Electronic submittals via file hosting services (such as Dropbox) are **not allowed**. Applicants who are unable to provide the materials electronically should contact the Planning Division at [Planning@cityofmadison.com](mailto:Planning@cityofmadison.com) or (608) 266-4635 for assistance.

**Formatting Requirements.** All PDFs **must comply with the submittal requirements** outlined on Pages 3 and 4.

## INSTRUCTIONS (CONTINUED)

7. **Completeness Review.** Per Section 28.181(4), MGO, the Zoning Administrator may refuse to accept an application, if it is determined to be incomplete. A “complete” application includes a completed Land Use Application Form (Pages 5-8) and the submission of all required application materials as indicated on its Submittal Checklist (Page 6). For a detailed list of the content requirements for the various plan sheets, as well as the submittal requirements for those application types requiring supplemental materials, please see [Land Use Application Form LND-B](#). Applications deemed complete will be scheduled for the public hearing date(s) specified on the Development Review Schedule (see No. 3 above).

**After Filing an Application**

8. **Public Notice.** This will occur in three ways: 1) The Zoning Administrator will prepare a “notice of hearing” sign, which *the applicant must post in a highly visible location on the property - so that it can be read from the sidewalk or other public right-of-way - at least 21 days prior* to the scheduled public hearing; 2) City staff will post notice in the Wisconsin State Journal; and 3) City staff will notify, by mail, the applicant as well as property owners and occupants within 200 feet of the boundaries of the property.
9. **Development Review.** Application materials will be circulated to several City agencies for review. Upon completion of the development review process by staff, the applicant will receive a copy of the staff report to the Plan Commission – containing staff’s analysis and recommended conditions of approval – prior to the scheduled public hearing. **Note:** review of construction drawings, submitted in order to obtain building permits, is a separate process which is not included in the review of land use applications.
10. **Post-Submission Design Changes.** Please note that subsequent revisions to submittal materials will likely result in rescheduling of public hearings (i.e. being deferred to a later review cycle).

**Plan Commission Review Process**

11. **Plan Commission Attendance Required.** Please note that the applicant or a representative is required to attend the Plan Commission public hearing and should remain at the meeting until the Commission votes on their item. The attendee should be prepared to provide a brief overview to the Plan Commission (with visual aids, if desired) and answer questions related to the application proposal. Failure to appear at the scheduled hearing may cause referral of the matter to a future hearing date.
12. **Final Action.** The Plan Commission is the decision-making body for the majority of Land Use Applications, with the exception of rezoning, annexation, subdivision, and zoning text amendment requests (the latter three however, use a different application form). The Plan Commission can approve, conditionally approve, reject (deny), or refer (to a future hearing) those Land Use Applications that it has purview over based on their review of the request for consistency with the applicable review criteria and development standards found in City ordinances. For all other Land Use Applications, the Plan Commission will make an advisory recommendation to the Common Council, who will take final action to approve, conditionally approve, or reject the application.
13. **Disposition Letter and Next Steps.** After final action has been taken on an application, the Planning Division will draft a disposition letter that provides a detailed list of the conditions of approval. The disposition letter will also contain instructions for finalizing the requested land use approvals which are required prior to receiving permits for demolition or new construction. A copy of the letter will be sent to the contact person identified on the application.

**Finalizing Approval**

14. **Plan Revision and Resubmission.** After approval is granted, the applicant is responsible for satisfying the various conditions of approval, as listed in the Disposition Letter. Specific questions about a condition should be directed to the particular agency that submitted the condition, while questions regarding resubmittal and final signoff should be sent to [Zoning@cityofmadison.com](mailto:Zoning@cityofmadison.com). The applicant shall then submit:
- a) a PDF of the revised plan set (in addition to any necessary supplemental documentation) as specified in the Disposition Letter. These updated plans shall be emailed to [Zoning@cityofmadison.com](mailto:Zoning@cityofmadison.com). **Note: the limit on email file size and PDF formatting requirements outlined above, under No. 6, still apply.**
  - b) The Site Plan Review filing fee (For more information, refer to the Fee Schedule on Page 8 and the Fee Submittal Instructions on Page 1.)

When the revised plans are submitted, the applicant will be emailed a hyperlink to a website to follow, in real time, which agencies have reviewed the revised documents, and signed off or need additional information. The plans will then be distributed to City Agencies who submitted conditions of approval during the initial plan review to verify that their conditions, along with any applicable requirements, have been satisfied.

15. **Final Approval.** Once all City Agencies have signed off, Zoning Staff will issue final approval and the applicant may then obtain any other necessary permits. **Note:** separate building, sign, or demolition permits issued by the Building Inspection Division will be required before work on the project can commence. Questions on this matter should be directed to the Building Inspection Division, (608) 266-4551.

## DIGITAL SUBMITTAL REQUIREMENTS FOR PDFs

With an interest in improving internal efficiency and reducing the amount of paper required for the various development application submittals, the City is shifting towards an all-digital review. In order to best enable the City's digital plan review software - by allowing accurate measurements, the ability to search for text, and optimized performance - the City now has additional requirements pertaining to the submittal of digital materials. Contact staff with questions or if you need assistance with the below requirements.

### General Requirements:

- **Format** -- All files should be submitted as a PDF (.pdf)
- **Separate Files** -- The various documents shall be submitted as separate PDFs. (PDF Packages/Portfolios will not be accepted).  
Examples of Individual Files:

## DIGITAL SUBMITTAL REQUIREMENTS FOR PDFs (CONTINUED)

### Additional Requirements for all Development Plan Sets (i.e. site plan, floor plans, elevations, etc.):

1. **Submit the Plan Set in a Single File** - The various Development Plans shall be combined and submitted as a single, multipage file (Note: Lighting Plans (Photometrics and Cut Sheets) *if applicable* should be submitted as a separate file)
2. **Give it a Scale** -- All drawings should to be to a scale, which shall be noted along with the inclusion of a scale bar on each page.
3. **Orientation** -- Plan sheets should be orientated in the PDF files to allow the files to be viewed without needing to rotate
4. **Live Linework** -- If possible, PDFs should to be in vector format (with 'live' or 'selectable' linework), as opposed to static images (i.e. raster format)).
5. **Sheet Labels** -- **Include an alpha-numeric sheet number in the lower right corner of each page.** (See Diagram to the right for an example) **\*\* Sheet labels must be unique within the plan set. \*\* Make sure to review No. 7 below before submitted revised plans.**

While there is no mandatory standard for sheet numbering, these are some typical convensions:

A (Architectural)    C (Civil / Site)    T (Title Sheet)    L (Landscaping)

As such, for purely illustrative purposes, the submittal plans for a hypothetical development might include the following sheets:

T-1 (Title Sheet)\*\*    C-2 (Utility Plan)    A-1 (Basement Plan)    A-3 (Second Floor Plan)  
 C-1 (Site Plan)    L-1 (Landscaping Plan)    A-2 (First Floor Plan)    A-4 (Elevations)

**\*\* Please include a table on the Title Sheet** listing all the drawings included in the set and their corresponding sheet labels

**If submittal involves multiple buildings, include an extra letter in the sheet label** - either at the beginning or end - to distinguish the buildings:

Prefix Example: Bldg A: AA101, AA102, etc. | Bldg B: BA101, BA102, etc.

Suffix Example: Bldg A: A-1-A, A-2-A, etc. | Bldg B: A-1-B, A-2-B, etc.

6. **Bookmarks** -- **Include bookmarks in the PDF** matching each sheet/page number. (See Diagram to the right for an example) **Make sure to review No. 7 below before submitted revised plans.**  
 The sheet numbers and sheet contents **can be combined** (i.e. C-1 Site Plan)
7. **\*\* VERY IMPORTANT \*\*** **Maintain Consistent Sheet Numbers and Corresponding Bookmarks Across Submittals** --

**Revisions** -- When submitting revised files, the **sheet number and corresponding bookmark used for a revised sheet must be the same as it was in the original submittal. These must be consistent across revisions.** (Example, if the site plan is numbered 'C-1' in the original submittal, it must be numbered 'C-1' in the revised submittal. However, if inserting or deleting pages, see below.

**Inserting Pages** -- If inserting a page between existing pages, add a number (i.e. '1') or letter (i.e. 'a') to the preceding page number for the inserted page's label. (Example: a page inserted between page C-1 and C-2 shall be called C-1.1 or C-1a.)

**Deleted Pages** -- The **page numbers of deleted pages shall not be reused.** If, for example, your initial submittal for a 4-story building (with the floor plans labelled A-1, A-2, A-3 & A-4) was resubmitted as a 3-story building, the Sheet Label which was used for the deleted 4th Floor Plan (i.e. A-4) must be retired and not used again for a different drawing.

8. Failure to submit plans in the requested format may result in longer review time and/or rejection of the submittal. Contact staff with questions or if you need assistance with the above requirements.
