- 
10. Position Summary:

This is an advanced level, professional leadership position responsible for planning, coordination and implementation of law enforcement and community grant-funded projects and programs for the Police Department. Work includes development, administration, coordination and evaluation of various Federal, State and other grants; and the development of related policies, strategies, processes and procedures. Work also includes fulfillment of substantial programmatic and financial reporting requirements for all grants, as well general accounting and analysis projects related to maintaining the Department's grant project budgets. This position involves a high level of complexity, independent judgment and extensive knowledge needed for a broad range of discipline. This work is performed under the general supervision of the PD Finance Manager and acts on behalf of her in her absence. Employee may lead or supervise subordinate clerical staff.

11. Functions and Worker Activities: (Do NOT include duties done on an "Out-of-Class" basis.)

20% A. Grant Research, Development and Writing

1. Seek out and review grant opportunities to determine Department applicability.
2. Research topic areas in order to assess appropriateness and to communicate clearly opportunity and topic area within the Department and with other potential grant partners.
3. Work with Department command staff and external partners (other law enforcement agencies, other City and County departments, service agencies) to develop grant proposals.
4. Create/facilitate cross-sector partnerships necessary to pursue some grants.
5. Coordinate the development of goals, objectives, problems description, implementation plan, project narrative timeline and budget for grant proposals.
6. Write, edit, finalize and submit grant applications, ensuring appropriate City, State and Federal guidelines are followed.

70% B. Manage Grants

1. Oversee all financial aspects of grants.
2. Ensure regulatory compliance to federal, state and other funding guidelines.
3. Develop and maintain tracking processes for all grants maintaining appropriate internal/external controls; ensure adherence to programmatic and financial grant requirements on timely basis.
4. Initiate disbursement of funds for subawards, after analyzing reimbursement requests, monitoring service efforts and accomplishments, and conducting field visits as needed.
5. Provide high-level expertise and direction to guide project "managers" (sworn commanders) for each grant, including assisting or training in setting project goals, evaluate project effectiveness, recommend project modifications, project management, relationship building with cross-sector partners, accountability, etc.
6. Serve as liaison between the Department Finance Unit and other Police units or agencies receiving subawards for all aspects of project implementation, including contract development.
7. Monitor and record project progress, including review and analysis of submitted programmatic and financial reports, changes in budget or contract terms, and on-site monitoring. Make recommendations on possible reallocations.
8. Develop scope of services for grant-funded contracts.
9. Administer budget expenditures and recommend budgetary actions as necessary.
10. Reconcile grant financial information between various City systems, including Telestaff, MUNIS and other databases that may be utilized. Provide reports to police managers and/or government agencies as needed.
11. In conjunction with Finance Manager, develop policies and procedures relative to grant administration and program management responsibilities.
12. Analyze existing grant programs and services. Make recommendations on the possible reallocation of existing and/or potential resources.
13. Provide cost projection reports on current and proposed grant projects.
14. Perform year end accounting processes for of all grant project segregated funds.
15. Write Common Council resolution to accept and modify grants and budgets
16. Develop and maintain system for tracking equipment purchases, including those requiring federal compliance as it relates to the use of grant funds.

10% C. Other

1. Non-grant tasks and responsibilities such as U.S. Census and other survey completion, Equal Employment Opportunity Plan (EEO) Utilization Report, Common Council resolution writing, and representing the Finance Unit when the Finance Manager cannot attend.
2. Lead special and ongoing projects and program activities as directed by the Finance Unit Manager.
3. Supervise or lead clerical staff as needed.
4. Other non-grant tasks as assigned.
