Mosaic Experience
Mosaic work has become an integral part of my practice as an artist, as I continue to expand and explore more 3D work. I draw a lo...
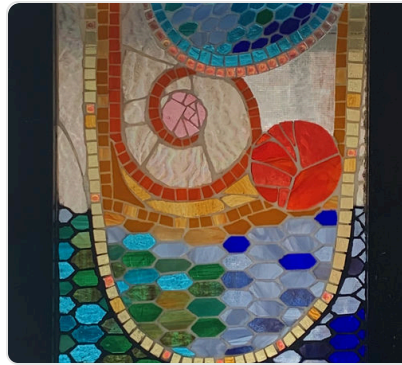

Community Engagement Process
Community is a large part of my practice and I work to engage the community in my work in most things I do. Having worked with t...

Artistic Vision
When I create mosaics, I enjoy using a wide range of materials to create interest and texture. In addition to traditional glass and ...

Other Notes / Special Requirements:
-one of the pieces in my work samples is a layout of the design for the layout. The colors are a bit more neon than I will make have ...

Laura Jacoba Epstein

Website

Mosaic Experience
-I first learned the principles of mosaic art at the Verona Road redevelopment community mosaic project designed and facilitated b...

Community Engagement Process
-Co-creation is the essence of my community engagement process, and in this sense, every project is different, but every project begins...

Artistic Vision
-My approach to mosaics depends on the goals. When making signage, I approach it with careful planning and pre-production; wh...

Other Notes / Special Requirements:
As my love of mosaics has grown, I have sought technical and creative training wherever it was available, exploring many different styles an...
