SZECHUAN CUISINE
Sichuan Cuisine is one of the most famous Chinese cuisines in the world. Characterized by its spicy and pungent flavors, Sichuan cuisines, with a myriad of tastes, emphasizes the use of chili. Pepper and prickly ash are always in accompaniment, producing the typical exciting tastes. Garlic, ginger and fermented soybean are also used in the cooking process. Wild vegetables and meats are often chosen as ingredients, while frying, frying without oil, pickling and braising are used as basic cooking techniques. It can be said that one who doesn't experience Sichuan food has never reached China.
