To Whom It May Concern:

I am writing to urge the Planning Commission to increase the enrollment cap for St. Ambrose located in St. Thomas Aquinas Catholic Church. There has been some concern voiced that the traffic pattern has been adversely affected by the school. I live near the church and school and find myself frequently on Old Sauk in the mornings. I have not noticed anything but the tremendous increase in traffic heading for town down Old Sauk. As for any unusual traffic off Everglade, I have not noticed any increase. Many of the students of St. Ambrose walk to and from school. Others carpool. The families of St. Ambrose have worked hard to get the school going and they seem to have been frugal with their resources in every way. I urge you to increase their enrollment cap this year to allow them a bit of room to grow.

Many thanks,

Jennifer L. Das
