Another Speaking Engagement

On Wednesday, April 8th, I spoke at the East Madison Kiwanis Club. I delivered an appropriate version of one of my various Power Point presentations on Madison street food vending.

More Construction

There is construction going on at Charter and Dayton Streets in the Southeast Campus Vending Area. A few food vending sites there will be inaccessible until sometime in approximately September. Some shifting around is required.

Construction will soon begin on the Anchor Bank building and its parking lot at W. Main and S. Carroll. It will make any weekday and Saturday sites on that corner unusable. It will also have an effect on the placement and size of Nostrano restaurant's sidewalk café.
