Probably not a good idea with her. When she bartended there, illicit drugs(coke&pills) were commonly taken by her, sold by her or traded by her. Along with a few other customers that regularly sold there. This neighborhood definitely does not need the late night crowd that is starting to get before it closed its been relatively nice in the area, we'll aside from the building right next to the bar. That's been a hassle since it was built. If Kwik Trip was denied a license to sell other than beer this should be voted the same way. Same neighborhood same issues. I was against Kwik Trip as well.

Thank you! Just curious, who's listed as the person applying for it?
