4/15/2026

To the Alcohol License Review Committee,

I am writing in support of Christian Miller's application for an operator's license. He has been employed at The Brass Ring since May of 2025 and has demonstrated to be a positive addition to the team. As Christian's manager, I support their application for the following reasons:

- As a regular server and daytime bartender, Christian checks the ID of patrons buying alcohol. I trust him to prevent underage sales and serve alcohol responsibly. He is aware of the signs of intoxication and has handled high-stress situations professionally and politely whenever a patron has become unruly.
- The standards our business has of its staff while consuming alcohol are higher than that of a regular patron as someone representative of The Brass RIng. As a patron, Christian has always held himself to the high standard we expect from our employees.
- Christian has a strong willingness to take on new responsibilities.

I have confidence that Christian Miller will operate as a responsible citizen and uphold the responsibilities of an Operator License. I respectfully urge the Committee to approve their license request.

Thank you for your time.

Kind Regards,

Ray Steger

Subject: Support for Taco Madre Application @ 5/20/26 ALRC Meeting
Date: Sunday, May 10, 2026 7:25:40 PM

You don't often get email from hlandsman47@gmail.com. Learn why this is important

Caution: This email was sent from an external source. Avoid unknown links and attachments.

Dear ALRC -- We would like to express our support for Taco Madre LLC's application for a Change of Premises for the Class B Combination Liquor & Beer license at 2827 Atwood Avenue that will enable them to extend their restaurant into their parking lot so they can establish an outside patio.

We live a few doors down from Taco Madre and have been encouraging them to do this for some time now. The outdoor seating option was a very popular feature of the Daisy Cafe & Cupcakery, the previous occupant at this location, and we expect that it will do well for Taco Madre too.

Taco Madre has been an excellent addition to our neighborhood and, while they may do a good take-out business, we rarely see many customers in their dining room (or cars in their parking lot). We would like to see them stay in business at this location for many years to come and urge you to approve their application.

Sincerely yours,

Howard & Judy Landsman

Business Plan

We are a hotel La Quinta Inns and suites, located on 5217 East Terrace drive . Madison . WI. This hotel used to have a liquor license until 2021 and after the new ownership took over they decided not to offer bar to the guest at that time. Our main clientele are contractors, government employees, road travelers and tourists for football games and other general events in the area. In order to bring some of our old clientele back we wanted to offer some beer bar, which will help us increase our occupancy.

Executive Summary

Waltzing Matilda's is a breakfast and lunch cafe on Monroe Street in Madison, WI that will eventually transition to a wine bar in the evening. It has been created to serve market-driven, seasonal food and conviviality to our neighborhood. Our menu, space and offerings change as we go, evolving with the seasons and the needs of our neighborhood. Financial projections indicate strong revenue potential and profitability within the first 12 months of operation.

Waltzing Matilda's Purpose & Mission

Food has the power to lift the spirit, build bridges between cultures, and enhance a community.

Serve seasonal meals and an experience that satiates all of the senses. Source ingredients with integrity. Give service that makes you smile and feel cherished. Create fond memories for our guests and ourselves. Show love and care in all of our actions. Enrich as many lives as we possibly can.

Waltzing Matilda's Vision

It is a natural extension of our Bloom brand to add breakfast and lunch back to our portfolio. We had great success in our 1851 Monroe Street space with our cafe, only closing due to the Pandemic, and then choosing to expand our bakery operations in that space. We now have the opportunity to move and once again expand our pastry operations in half of 1923 Monroe Street and add back a beautiful, vibrant cafe serving breakfast and lunch to our community. Our team is motivated and excited to bring back a lovely sit down experience. We will be adding jobs as well as promoting within this venture. This strategy of staffing will provide continuity and legacy of experience versus having an entirely new team operating in this space.

The space will operate Tuesday through Sunday, 8am-2pm. We will have a full breakfast and lunch menu, using seasonal ingredients, supporting local farmers as well as introducing a bit of International influence which aligns with our bakery as well as Lallande, our French restaurant. In the evening it will be open Wednesday through Saturday 3pm-11pm

Products and Services

Our intent is to create a warm, inviting, organized, beautiful space for locals and tourists to enjoy a great meal without feeling rushed. This is not a turn-and-burn type of joint. This is not where you meet for a cup of coffee, that's the coffee house. This is where you meet to enjoy a delicious meal, and yes a cup of coffee, but perhaps a spirit or glass of wine as well. This is a longer breakfast or lunch experience. It is not where you spread out your work or pop out your computer, but indeed business discussions/transactions can and will happen. Mark and Annemarie want to

continue to bring a few of their International vacation experiences to Madison — where one would take in a great meal and pass the time in a beautiful environment.

We feel these two types of food/drink experiences are missing on Monroe Street. Sure, there are lunch and dinner places, but nothing truly speaks to this warm, attentive, and intimate type of experience.

In review, Waltzing Matilda's will offer:

- Breakfast and Lunch, Tuesday through Sunday 7am-2pm
- Speciality pastries to complete your meal
- Wine Bar & Small Plates Wednesday-Saturday 3pm-11pm
- The space available to rent in the evening for events
- Some staple items with changing specials

Our target market for Waltzing Matilda's, a breakfast and lunch cafe in Madison, WI, will include busy professionals, students, tourists, and families seeking a relaxed breakfast/lunch experience, as well as locals looking for a casual and welcoming atmosphere.

Elaboration:

- Busy Professionals
  Our cafe is located near workplaces and close to the downtown area. This will attract professionals seeking a great space for a delicious breakfast or lunch. With this market in consideration we plan to also offer grab-and-go options, take away, efficient service, and a comfortable space for a quick meal or meeting.
- Students
  The University of Wisconsin is a significant source of potential customers. Our cafe will cater to students and professors by offering a hip environment and a locally sourced and supported menu.

SWOT Analysis

Strengths

- Location: The location of our cafe is in a prime location with high foot traffic, it's a significant advantage.
- Menu: We have a history of hitting the mark with our menus at our bakery and French restaurant. A well-curated and diverse breakfast and lunch menu catering to various tastes will be a strength.
- Customer Service: Exceptional service, including friendly staff and quick turnaround times, will be a key differentiator.
- Ambiance: A pleasant and inviting atmosphere, cozy and sunny, will attract and retain customers.
- Brand Reputation: Again, we have a strong brand. Positive online reviews, a strong social media presence, and a reputation for quality will continue to build trust and loyalty.

Potential Weaknesses

- High Rental Costs: If the cafe is located in a high-demand area, high rental costs could impact profitability. Purchasing this building insulates us from rental costs.
- Limited Menu: A lack of variety or options might turn away customers with specific preferences or dietary restrictions. We are a leader in innovative menus and respecting and working allergen needs.
- Poor Customer Service: Neglecting customer needs, slow service, or unfriendly staff can damage reputation. Bloom has built a reputation of kind, caring and attentive customer service.
- Outdated Facilities: If the cafe's interiors or equipment are outdated, it might appear unappealing to potential customers. We are constantly examining and maintaining our spaces to ensure safety, appeal and elegance.
- High Employee Turnover: Difficulty retaining staff can lead to inconsistent service and training challenges. Our company prioritizes our employees first. We believe if we take good care of our people, they will take amazing care of our guests. We have a high retention with staffing because of this priority.

Opportunities

- Expanding into New Markets: The cafe will have a strong brand and is attached to our already strong brand, this will allow us to penetrate the breakfast and lunch market in Madison
- Offering Takeout and Delivery: Adapting to changing consumer preferences with takeout and delivery options will expand our customer base.
- Utilizing Technology: Implementing online ordering systems, loyalty programs, and digital marketing strategies will boost efficiency and reach.
- Collaborating with Local Businesses: Partnerships with Destination Madison, local hotels, offices, or event venues will increase foot traffic and generate new revenue streams.
- A unique but approachable menu: We have experience with seasonal, healthy, delicious, allergen friendly menus. We will also bring some international flair to differentiate ourselves from the other breakfast/lunch offerings in town.

Threats

- Competition: We are aware of the other breakfast establishments, this makes us prioritize increasing the need for differentiation and marketing.
- Shifting Consumer Preferences: There are trends towards healthier eating, vegan options, or fast-casual dining could impact the cafe's customer base. We are already head on special diets from our other locations, being mindful of then fast casual opportunities while still staying true to our slow food approach will be taken into consideration
- Economic Challenges: Increased costs of food ingredients or labor, or a downturn in the local economy, can negatively impact sales.
- Poor Online Reviews: Negative reviews can damage the cafe's reputation and deter potential customers.
- Regulatory Changes: New regulations regarding food safety, labor laws, or zoning could increase operating costs.

Marketing and Sales Strategy

A successful marketing and sales strategy for our breakfast/lunch cafe involves a multifaceted approach, including leveraging social media, email marketing, and local partnerships. We are very familiar with building a strong brand, focusing on customer experience, and implementing loyalty programs can also boost sales.

Here's a breakdown of key strategies for our new concept:

1. Digital Marketing:

- Social Media: Use platforms like Instagram, Facebook, and TikTok to showcase our cafe's unique offerings, educate customers, and engage with our audience.

- Email Marketing: Build an email list to send newsletters, promotions, and birthday discounts.
- Search Engine Optimization (SEO): Optimize our website and Google Business Profile to improve search engine visibility and attract local customers.
- Online Advertising: Using targeted Facebook ads as needed to reach potential customers in our area.
- Take advantage of our current social media and newsletter lists with a very engaged population to drive traffic to Mirabelle

2. Local Marketing & Partnerships:

- Local Partnerships: Collaborate with businesses in our community to promote our cafe and reach a wider audience.
- Local SEO: Ensure our Google Business Profile is accurate and up-to-date, as almost half of Google queries are for local information.
- Influencer Marketing: Partner with local food bloggers or influencers to amplify our reach and attract new customers.

3. Building Brand and Customer Experience:

- Brand Positioning: Clearly define our brand's unique selling proposition and target audience.
- Customer Service: Ensure excellent customer service and encourage positive reviews.
- Loyalty Programs: Implement a loyalty program to reward repeat customers and encourage returning visits.
- Menu Variety: Offer a diverse menu to cater to different tastes and preferences, potentially including breakfast/lunch combos.
- Website: Enhance our website to be SEO-optimized and clearly communicate our USP.

Lake City Books LLC

April 2026 Business Plan for Move & Expansion (120 S Carroll St)

Summary

Lake City Books, an independent bookstore in downtown Madison, is relocating to a larger space on the other side of the Capitol Square and adding a wine bar.

Business Description

Lake City Books opened at its current location (107 N Hamilton St) in April of 2023 as a general interest independent bookstore selling new and used books for all ages. Lake City is the only indie bookstore in downtown Madison, and our prime location just off the Capitol Square equates to a lot of foot traffic during events like the Farmers' Market, Art Fair, etc. A consistent, rapid growth in sales has allowed us to grow our staff and inventory, but we have hit the limits of our current space. The current space is 2,200 sq ft. at garden level, and there isn't room to host seated events for more than 30 people.

Growth Plan

The new space at 120 S Carroll St will still get all the same foot traffic on the Square, and it is roughly double the size (4400 square feet), giving us space to increase our book inventory, add more seating, host more events, and support more staff. Since the new space has an existing bar, we decided to add a wine bar to our business plan and use that area for events. Having a dedicated event space will increase the number of events we can host, and the bar adds an additional revenue stream.

Event Plan

We already host weekly book clubs and other popular events such as author signings, readings, and book release parties, which would all benefit from a larger space. The bar area will have 8-10 tables with chairs, plus bar seating, such that we can host more community events like puzzle nights, Tarot workshops, literary trivia, etc. with minimal disruption to the bookstore setup.

Alcohol Sales

The wine bar will have a limited menu of wine, beer, and non-alcoholic drinks - no food or hard alcohol (see sample menu). The bar menu will consist of 4-6 seasonal wine options handpicked by Andrea Hillsey of Square Wine Co., two draft beers, plus cans and N/A drinks in the coolers. Lake City Books is still mainly a bookstore with a supplementary wine bar - we estimate bar sales will be less than 10% of our overall revenue.

To whom it may concern.

I am writing to formally request consideration for a provisional liquor license to allow us to continue operating without interruption during a current business entity transition.

Our existing partnership under Pizza Ventures III LLC is ending due to my partner's retirement. As a result, we have established a new entity, La Taguara Bar and Grill, LLC, and have submitted (or will be submitting) a new liquor license application as required by the City.

Aside from this administrative change, all aspects of the business will remain exactly the same; including ownership management, location, operations, menu, and employees. There will be no changes to how the establishment is run on a day-to-day basis.

To avoid any disruption to our operations and to continue serving our customers responsibly, we respectfully request approval of a provisional license while the new application is being processed.

Please let me know if there are any additional documents, fees, or steps required to support this request.

Thank you for your time and consideration.

Best regards,

Jeykell Badell & Maria Zaid
