[jerryxdaeda@gmail.com](mailto:jerryxdaeda@gmail.com) All Alders Gaza Proclamation Many thanks to alders, Evers, Figueroa, Cole, Guequierre, Harrington-Mckinney, Myadze, Vidavar, Conklin, & Duncan for voting against the Gaza proclamation over which you have no authority. You have served the silent majority of Madison well. The old foggies in my neighborhood support free speech and peaceful demonstrations. We also pray for world peace and although we support Israel's right to defend itself, we appreciate President Biden's recent strong leadership in refusing munitions to Israel in an effort to eliminate indiscriminate killing of innocents. We respect our very special and competent Madison police and County Sheriffs and are frustrated at the seemingly lack of respect they continually get from city and county leadership. Finally, we fear that the cumulative effect of the violent student demonstrations could lead to the election of Donald Trump as President which the vast majority of us, many moderate Republicans, do not want to see.  
Thank You.

for Opposing Pro-Encampment Resolution Dear Alders,

This is a quick note to say Thank You to Alders Evers, Figueroa Cole, Guequierre, Harrington-McKinney, Myadze, Vidaver, Conklin, and Duncan for opposing the proposed resolution that would have requested UW-Madison to approve the ongoing, illegal encampment on Library Mall. I am glad to see so many voices come together to oppose what would have been a flawed, wholly incomplete, and ineffectual resolution. I appreciate you standing up for common sense and your courage in doing so, as we all uniformly continue with a desire for the preservation of innocent life in Gaza and Israel.

Sincerely, James Isaac

Madison, Wisconsin. 53726 No, do not contact me. All Alders Release the hostages! My name is Mushkie, I live in madison, i want to urge you to reject the resolution calling for a ceasefire in gaza tomorrow. This is actually not a resolution for a ceasefire, it's an antisemitic demand for the world's only jewish state to cower to the terrorists that attacked them and took hundreds of hostages who are still there, and several of them are american. At least one is a holocaust survivor and it's a disgrace that today on yom hashoah, holocaust remembrance day, the jewish community of madison should still have to call and email their alderpeople to remind our elected officials of the humanity of the jewish people. If you want to discuss this more i am always available to talk about jewish life and historical and modern antisemitism. Vote no to this resolution. Instead be a leader in this country and put forward a resolution to demand hamas release the hostages now! It's shocking that in 2024 we have to even ask this! There are over 100 INNOCENT CIVILIANS being held hostage in Hamas terror tunnels. Let's end this now.

Don't be like tag. Dont police our protest behaviors and don't sit on your high horse thinking you know better because you luckily got elected to council, or ran unopposed. Despite what you think, you have no moral clarity or ethical justification to vote against the resolution. You just happen to think you are smarter than the rest of us.

To be a politician you must selfishly believe that your opinions are valued higher than the rest. To be a politician you must be a borderline narcissist. Dont be like tag, a narcissist through and through. Dont think your white opinion is somehow of greater value. STOP SPEAKING OVER BIPOC.

YOU HAVE NO MORAL HIGH GROUND- YOU'RE JUST DELUSIONAL IN BELIEVING YOU KNOW BETTER. YOU ARE JUST A WHITE MAN NO MORE QUALIFIED TO HOLD OFFICE THAN THE REST OF US.

DISTRICT 13 WILL NOT FORGET.

## What's disgusting? Tag's protest-busting.

Alder Tag Evers got his job by participating in the 2011 protests against Act 10. You'd think he'd support protestors.

Instead, he has betrayed our community by blocking a resolution condemning police violence against protestors.

Remind Tag where he came from. Send him an email by following this QR code:

Don't want to send an email? Leave his office a message. Call 608-266-4071.

Let Tag know his attacks on peaceful protestors are unacceptable. Call or email today.

Madison, Wisconsin. 53715 No, do not contact me. All Alders Illegal Encampment Thank you to those Alders who rejected the illegal encampment on campus. Your common sense, level-headed approach is greatly appreciated. To those Alders who voted in favor of the illegal encampment, your antisemitism has been noted.
