RE: LNDSCM-2025-00001; ID 86739 – Certified Survey Map – 2013-2021 Chamberlain Avenue and 1937 Arlington Place, Section 22, T7N, R9E, City of Madison, Dane County, Wisconsin (Martorana/DiCarlantonio)

Dear Chris,

The Certified Survey Map (CSM) to re-divide three parcels located at 2013-2021 Chamberlain Avenue and 1937 Arlington Place into two lots is hereby **conditionally approved**. The property is zoned TR-C2 (Traditional Residential–Consistent 2 District) and is located in the University Heights Historic District. The conditions of approval from the reviewing agencies to be satisfied prior to final approval and recording of the CSM are:

Please contact Tim Troester of the City Engineering Division at (608) 267-1995 if you have questions regarding the following item:

1. A minimum of two (2) working days prior to requesting City Engineering signoff on the CSM, contact either Tim Troester (West) at (608) 261-1995 (ttroester@cityofmadison.com) or Brenda Stanley (East) at (608) 261-9127 (bstanley@cityofmadison.com) to obtain the final stormwater utility charges that are due and payable prior to sub-division of the properties. The stormwater utility charges (as all utility charges) are due for the previous months of service and must be cleared prior to the land division (and subsequent obsolesces of the existing parcel).

Please contact Julius Smith of the City Engineering Division–Mapping Section at (608) 264-9276 if you have questions regarding the following eight (8) items:

2. Coordinate and request from the utility companies serving this area the easements required to serve this development. Those easements shall be properly shown, dimensioned and labeled on the final CSM.
3. In accordance with Section s. 236.18(8), Wisconsin Statutes, the applicant shall reference City of Madison WCCS Dane Zone, 1997 Coordinates on all PLS corners on the Certified Survey Map in areas where this control exists. The surveyor shall identify any deviation from City Master Control with

recorded and measured designations. Visit the Dane County Surveyor's Office web address for current tie sheets and control data that has been provided by the City of Madison.

4. Prior to Engineering final sign-off by main office for Certified Survey Maps, the final CSM shall be submitted in PDF format by email transmittal to Engineering Land Records Coordinator Jule Smith (jsmith4@cityofmadison.com) for final technical review and approval. This submittal must occur a minimum of two working days prior to final Engineering Division sign-off.
5. Per A-E 7.05(11): When coordinate values are shown on the face of the map, the map shall comply with and be subject to the provisions of Wis. Stats. Sec. 236.18 and include the coordinate system, datum, and adjustment. List the Datum and Adjustment for the WCCS Dane Zone coordinate system used.
6. Per AE 7.04: Descriptions defining land boundaries created by a professional land surveyor for conveyance or to more accurately delineate land boundaries, or for other purposes shall be complete, providing unequivocal identification of lines or boundaries. The description shall contain necessary references to adjoiners together with data and dimensions sufficient to enable the description to be mapped and retraced and shall describe the land surveyed by government lot, recorded private claim, quarter-quarter section, section, township, range, and county. Add the quarter-quarter section, section, township, range, and county to the legal description and the document number of the plat.
7. Under note 1 on sheet 4, there is a statement "No title was provided for" Please explain, as two title reports were provided.
8. Wisconsin Administrative Code A-E 7.08 identifies when Public Land System (PLS) tie sheets must be filed with the Dane County Surveyor's office. The Developer's Surveyor and/or Applicant must submit copies of required tie sheets or monument condition reports (with current tie sheet attached) for all monuments, including center of sections of record, used in this survey, to Jeff Quamme, City Engineering (jquamme@cityofmadison.com).
9. The applicant shall submit to Jeff Quamme prior to final Engineering Division sign-off of the subject CSM, one (1) digital CADD drawing in a format compatible with AutoCAD. The digital CADD file(s) shall be referenced to the Dane County Coordinate System and shall contain, at minimum, the list of items stated below, each on a separate layer/level name. The line work shall be void of gaps and overlaps and match the final recorded CSM: right of way lines (public and private); lot lines; lot numbers; lot/plat dimensions; street names, and; easement lines (including wetland and floodplain boundaries).

*This transmittal is a separate requirement than the required submittals to Engineering Streets Section for design purposes. The developer/surveyor shall submit new updated final plat, electronic data and a written notification to Engineering Mapping for any changes to the plat which occur subsequent to any submittal.

Please contact Heidi Radlinger of the Office of Real Estate Services at (608) 266-6558 if you have any questions regarding the following six (6) items:

10. Prior to final approval sign-off by the Office of Real Estate Services (“ORES”), the Owner’s Certificate(s) on the CSM shall be executed by all parties of interest having the legal authority to do so, pursuant to Wis. Stats. 236.21(2)(a). Said parties shall provide documentation of legal signing authority to the notary or authentication attorney at the time of execution. The title of each certificate shall be consistent with the ownership interest(s) reported in the most recent title report. When possible, the executed original hard stock recordable CSM shall be presented at the time of Office of Real Estate Services (ORES) approval sign-off. If not, the City and the Register of Deeds are now accepting electronic signatures. A PDF of the CSM containing electronic signatures shall be provided to ORES to obtain approval sign-off.
11. Prior to CSM approval sign-off, an executed and notarized or authenticated certificate of consent for all mortgagees/vendors shall be included following the Owner’s Certificate(s). If a mortgage or other financial instrument is reported in record title but has been satisfied or no longer encumbers the lands or ownership within the CSM boundary, a copy of a recorded satisfaction or release document for said instrument shall be provided prior to CSM approval sign-off.
12. If any portion of the lands within the CSM boundary are subject to an Option to Purchase or other option interest please include a Certificate of Consent for the option holder and executed prior to CSM sign-off.
13. Per 236.21(3) Wis. Stats. and MGO Section 16.23(4)(f), the property owner shall pay all real estate taxes that are accrued or delinquent for the subject property prior to CSM recording.
14. All known special assessments are due and payable prior to CSM approval sign-off pursuant to MGO Section 16.23(4)(f).
15. Pursuant to MGO Section 16.23(4)(f), the owner shall furnish an updated title report to the ORES as well as the survey firm preparing the proposed CSM. The report shall search the period subsequent to the date of the initial title report submitted with the CSM application and include all associated documents that have been recorded since the initial title report. A title commitment may be provided, but will be considered only as supplementary information to the title report update. The surveyor shall update the CSM with the most recent information reported in the title update. ORES reserves the right to impose additional conditions of approval in the event the title update contains changes that warrant revisions to the CSM.

The Office of Real Estate Services is still reviewing the CSM and title report and may have additional comments to be addressed prior to final sign-off and recording of the CSM.

This land division is subject to a Certificate of Appropriateness issued by the City’s Landmarks Commission pursuant to its February 10, 2025 approval. Please contact Heather Bailey, Secretary of the Landmarks Commission, at hbailey@cityofmadison.com or (608) 266-6552 if you have any questions.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

A resolution approving the Certified Survey Map and authorizing the City to sign it and any other documents related to the CSM will be reviewed by the Common Council at its February 25, 2025 meeting.

In order to commence the process for obtaining the necessary City signatures on the Certified Survey Map, the applicant shall e-mail the revised CSM, updated title report, and any other materials required by reviewing agencies to the reviewing planner. The reviewing planner will share the updated materials with the relevant commenting City agencies for them to verify that their conditions have been satisfied and that the secretary or designee may sign the Plan Commission approval certificate. Once the Plan Commission certificate is executed, the Planning Division will make the City Clerk's Office aware that the Common Council certificate may be executed.

Once all of the necessary City signatures have been affixed to the Certified Survey Map, the instrument may be recording at the Dane County Register of Deeds Office. For information on recording procedures and fees, please contact the Register of Deeds at (608) 266-4141.

Any appeal from this action, including the conditions of approval, must be filed with the Circuit Court within 30 days from the date of this letter. **The approval of this CSM shall be null and void if not recorded in twelve (12) months from the date of the approving resolution or this letter, whichever is later.**

If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at (608) 261-9632 or tparks@cityofmadison.com.

Sincerely,

Timothy M. Parks
Planner
