Re: Certificate of Appropriateness for 416 E Wilson Street

Mr. Putnam,

At its meeting on May 5, 2014 the Madison Landmarks Commission reviewed, in accordance with the Madison General Ordinances pertaining to provisions of the Landmarks Ordinance, your plans to alter the exterior of the landmark building located at 416 E Wilson Street. The Landmarks Commission voted to approve the issuance of a Certificate of Appropriateness for the siding and window replacement work with the condition of approval that the siding be installed with a smooth surface.

This letter will serve as the "Certificate of Appropriateness" for the project. When you apply for a building permit, take this letter with you to the Building Inspection Counter, Department of Planning and Development, Lower Level Suite LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.

Please note that any major design changes from the plans submitted and the additional information provided to the Landmarks Commission must receive approval by the Landmarks Commission, or staff designee, prior to the issuance of the building permit.

Please also note that failure to comply with the conditions of your approval is subject to a forfeiture of up to \$250 for each day during which a violation of the Landmarks Commission ordinance continues (see Madison General Ordinances Sec. 33.19).
