Re: Klueter Grocery National Register of Historic Places nomination

Ms. Veregin,

The City of Madison Landmarks Commission is pleased to review, and enthusiastically support, the nomination to list the Klueter Grocery in the National Register of Historic Places.

The nomination shows that the Klueter Grocery is eligible for listing on the Wisconsin State Register and the National Register by being significant for its architecture in the Prairie School style as designed by architect Alvan Small. In addition, the Landmarks Commission finds that the Klueter Grocery building contributes to the historic fabric of this section of the East Washington commercial corridor and warehouse district.

Thank you for the opportunity to provide comments.

Sincerely,

Stuart Levitan
Landmarks Commission Chairperson
