Subject: District 12 vacancy

To CCEC members,

My name is Barbara Vedder and I'm writing because I'm interested in filling the vacancy of the District 12 aldermanic position.

I was on the Madison City Council from 1995-2001 representing what was District 2 at the time, the northern side of the Isthmus. I also served on the Dane County Board of Supervisors, representing the same district from 2006-2010.

I have been living in Madison since 1981. I live on the near east side at 2314 East Dayton Street with my husband and reside in the Emerson East neighborhood. I very much enjoy living here and would like to continue to give back to the community. I have a son who previously sat on the Dane County Board and I also have two grandchildren who I absolutely adore and want to have grow up in an even better place.

I would be honored to serve the remaining term of District 12 alder and do not intend to run in the upcoming spring election.

I'm very thankful to the Committee for your hard work and serious consideration of this appointment. I welcome any additional information or questions that you might have for me.

Respectfully,

Barbara Vedder
