Subject: Agenda Item 15, File 82551, 03/20/24 - Mom's Bar

Caution: This email was sent from an external source. Avoid unknown links and attachments.

Dear ALRC members and others concerned with the Mom's Bar application:

Summary: CANA supports removing license conditions one and two for Mom's Bar due to their extended safety plan for entertainment and selling alcohol on their premises. We recommend the ALRC ensures Mom's Bar continues to follow through with their safety plan.

Ambiance

- A positive karaoke atmosphere, smaller than Whiskey Jack's Saloon and other music venues
- A clean, comfortable, safe community

Staffing & Security

- High-quality security wand to check for weapons
- Two separate state-of-the-art ID systems: Patron Scan & Intellicheck
- Offline & online ban list copies
- No fights
- No major violent incidents
- Passed all police inspections

This is my comment on behalf of the Campus Area Neighborhood Association (CANA).

With sincere gratitude,

Tanner Mechura

President
