

2026 Recreation Services & Aquatic Fees Update

Presented by:

Tracey Hartley, Recreation Services Coordinator &
Shane Martin, Aquatic & Parks Program Coordinator

Aquatics

Update for 2026: Admittance to Goodman Pool based on Age

Aquatics is not changing any fees. Aquatics provides an affordable safe place for the residents of Madison and surrounding areas to enjoy the aquatic environment.

Recreation Services

Update for 2026: Fee to participate at Winter Family Prom

Winter Prom: Propose: \$10/family (up to 6 family members & each additional family member \$5/person)

Past two years Fee: \$5/family (no limit on members)

Fee increase to cover costs for event

Fee did not cover craft project supplies needed

A few families brought more members than expected

Families said they would pay more for this great community event

Based off the 2025 attendance (113 families) at Winter Prom. This will bring in approximately \$565

Reviewed the Post Event Report for Winter Prom and took note of the number of large families attending had increased.

The budget will take less of a financial impact for staff costs. Could impact low-income families.

Add a \$5 Ski Pole rental fee

Customers seeking this service of needing “poles only” when renting
