I am the owner of the rental property at 1247 E. Johnson Street. I am sending this note to you on behalf of my tenants who utilize parking in those spots on almost a daily basis. They have asked that these 6 parking spots do not get removed. They are indicating that parking anywhere near that corner is already very difficult for them as they work night shifts. Removing 6 more spots would make it worse. There is already not enough parking available on E. Johnson.

I also utilize those parking spots when I need to do maintenance at my building because there isn't enough room to park on E. Johnson near my building.

Please reconsider your plan to remove those parking spots.
