I live in the Town of Madison, 1/2 a block from Heifetz Park. I am strongly in favor of making the park a dog-friendly park. I hope that at some point the City will consider making a portion of the park a contained off-leash dog park. Currently, the park is rarely used for anything. There are many dogs in this neighborhood. I have no doubt that a small off-leash park would be welcome by many residents.

Thanks for your consideration.

Hi, I got snail mail indicating this is where to comment on the plan to keep Harvey Schmidt, Heifetz, and Fraust parks dog friendly. I support the plan.

Thanks,

I live by this park, when my granddaughter visits (weekly), she loves this park. Unfortunately before I let her play I must canvass the park for all sorts of trash to include glass, can, condoms, and other nasty items. Now making it dog friendly I probably need to pick up dog crap..No until you commit the labor for at least two cleanups per week I disagree making it dog friendly..thanks
