

#25 id 22706

I am strongly opposed to item #25 application for outdoor service and upstairs bar service area.

This establishment recently surrendered its 18+ license due to unsuccessful management practices and is subject to prosecution with the City Attorney office for violations.

The location of the proposed service bar area would be adjacent to the cuing line for patrons to enter the lower level bar. Additionally, I do not believe this block is conducive for outdoor seating as this is not a restaurant with food service but a bar.

For the Health/Wellness and safety of the community, I would ask that this application be denied.

I was not contacted by applicant.
