Music From Bar

Name: BENJAMIN J KNUTSON

Room Number: 5

Date: 1-27-11

Time: 4:24

Comment: The music is atrociously loud, 7 days a week, from 4 until bar close. The bass literally rattles my bed! It has affected my mood, and ability to be productive during the day, as I am losing sleep every night. I can hear it, in my room, as if I had a set of speakers right in my face. It is ridiculous, and any help you could offer to make it stop would GREATLY improve the quality of my life. My girlfriend won't even come over to visit me anymore, as she finds the music offensive and aggravatingly LOUD.

Comment: THE MUSIC FROM "WHISKEY JACKS" IS SO LOUD,

THAT I NOT ONLY HEAR IT, I FEEL IT. IT LITERALLY SHAKES

THE RADIATOR, THE WALLS, THE WINDOW AND THE DOOR—UNTIL BARTIME!

ALSO, I NOTICE LOUD CONVERSATIONS, INCLUDING A LOT OF SHOUTING
FOR UP TO AN HOUR AFTER THE CUSTOMERS LEAVE.

I want to move out of #4
to go to #42 because the
noise from the bar is too
loud. We cannot study or
sleep.

Please let me know if that is
possible

thank you.
