**Requirements of Vendors:** Within thirty (30) days from the effective date of a contract or purchase order with the City, and prior to the release of payment by the City, all nonexempt Vendors and Suppliers are required to submit an approvable Affirmative Action Plan. Vendors and suppliers have the option of completing:

- The model affirmative action plan approved by the Common Council
- Or their own plan that meets the requirements of Federal Revised Order No. 4, 41 CFR Part 60-2.

\*MGO authorizes the Affirmative Action Division Manager to approve affirmative action plans.

**Exemption for 14 or Fewer:** Contracts and/or purchase orders with individuals, partnerships, corporations, associations, or other entities including contractors, vendors, or suppliers, which employ fewer than fifteen (15) employees, qualify for an Affirmative Action Plan Exemption that can be completed online.

**Exemption for Less than \$50K:** Contracts and/or purchase orders with individuals, partnerships, corporations, associations, or other entities including contractors, vendors, or suppliers whose aggregate annual business with the City for the calendar year in which the contract takes effect is less than fifty thousand dollars (\$50,000), qualify for an Affirmative Action Plan Exemption that can be completed online.

\*\*Contracts for goods, supplies or services necessitated by or resulting from an emergency situation as duly determined by the Mayor with the advice of the Council where possible, including those executed as an emergency services contract under Sec. 4.26(4)(c).

### **Failure to Comply:**

In the event of the Contractor's or subcontractor's failure to comply with the Affirmative Action provisions of the Madison General Ordinances, the AAC Appeals Subcommittee may do any or all of the following:

- Cancel, terminate or suspend this Contract in whole or in part.
- Declare the Contractor ineligible for further City contracts for a period of 2 years or until the Affirmative Action requirements are met.
- Recover on behalf of the City from the contractor 0.5 percent of the contract award price for each week that such party fails or refuses to comply, in the nature of liquidated damages, but not to exceed a total of five percent (5%) of the contract price, or ten thousand dollars (\$10,000), whichever is less.
