I am a resident of Lakeside St and wholly concur with concerned neighbors that have written to you expressing concern that a liquor store is planned for this space. Liquor is readily available on Park St, PicNSave is right across the street. Furthermore, a nearby gas station has been the scene of shootings and a hang out.

Do not allow this business to take up a space meant for gathering on a patio for people to meet to build a safe community. A liquor store is a really bad addition.
