Supplemental Questions:

Is your league open to public players looking to join a league? YES _____ NO _____

If so, who should be contacted to help in signing up the public player to your league?

Name: _____ Phone: _____

Email: _____

League Agreement

This agreement between the City of Madison and the above signed Golf League shall be for a term of one calendar year. (January 1st through December 31st).

- **Responsibilities:**

- **City of Madison Responsibilities:**

- The City of Madison guarantees that the above league will receive the specified amount of tee times for the specified amount of weeks as stated above. Starting tee time may be negotiable.
 - The City of Madison guarantees that the above league will receive an equal or lower greens fee rate than the general public at the time of league play.
 - The City of Madison will hold the league's day and time in each proceeding year until such time the league is no longer active at the City of Madison Golf Courses.

- **Golf League Responsibilities:**

- To be considered a "League," a minimum of 12 players for a minimum of 12 weeks is required.
 - Up-front payment is required of all leagues by way of two payment options. In both scenarios, the League is responsible for full payment of the League based on the number of players and weeks specified in the League Agreement above. Rain/extenuating circumstance no-show information is highlighted below under "*League Play Cancelled for Inclement Weather or Other Condition.*"

- 1. **Full-Season Up-Front Payment.** Payment due May 1st 2022.

- The League Representative may opt to collect payment from members and supply the League's golf course with payment, OR;
 - The League Representative may opt to have each individual player in the League pay the course directly.

- 2. **Full-League Weekly Payment.**

- The League Representative would supply the golf course with a single check/credit card/cash payment for the exact amount of players specified in the League Agreement above each week.

- The Golf League Representative shall submit a league roster along with this agreement. Please use the Roster Spreadsheet that was attached to the email this agreement was sent in.

- **Standards of League Play**

- Nine-hole leagues playing at Glenway or Monona will tee off on hole number 1 at intervals of ten (10) minutes. Nine-hole leagues playing at Odana or Yahara will tee off on hole number 1 or 10 at intervals of ten (10) minutes.
 - League play at Odana Hills will rotate between the front nine and back nine each week based on the schedule provided.
 - Leagues that play at Odana Hills on Fridays, Saturdays or Sundays will play off hole number 1 only.

- The Golf Course reserves the right to insert public play in between league groups or in league tee times should the league tee times be left unfilled.
- League Representative must check in with the golf shop staff no fewer than 15 minutes prior to the league's first tee time to confirm players are ready to play.
- The league will not be scheduled to play on Memorial Day, Independence Day and Labor Day.
- No coolers, carry-on food or beverage is allowed. All food and beverage MUST be purchased from the clubhouse or beverage cart per Wisconsin State Ordinance. Coolers are available for a \$5.00 deposit which will be returned to the renter when the cooler is returned. Cash only.
- Due to the limited number of golf carts, league players MUST share riding carts when able. Single-rider carts will be provided if the player asks to ride alone AND pays for both seats of the cart. The League Representative will be responsible for communicating this policy with other members of the league.
- **League Play Cancelled for Inclement Weather or Other Condition.**
 - Inclement weather days are bound to happen. If weather is threatening, or the golf course has experienced heavy rains, we ask that ONLY the League Representative contact the pro shop for a status update.
 - If the Golf Professional or Golf Course Superintendent call a rain-day, we will do so at least one hour prior to your starting time and will attempt to contact the League Representative. It will be the responsibility of the League Representative to circulate word of cancellation to other league members.
 - The League Representative may also call a rain-day due to inclement/dangerous conditions. The League Representative must then contact the golf shop first to provide a status update, then circulate word of cancellation to other league members.
 - Rain or inclement conditions are not automatically grounds for cancellation. If the course is open, the league can play in any conditions outside of dangerous conditions or when closed by golf course management.
 - Should an inclement weather condition arise during play of a league round and all league players have played at least 5 holes, the league round will count and will not be eligible for a make-up day/rain check.
 - Any individual who has paid for a cart for a league round that gets cancelled would be responsible for obtaining a rain check for the cart from the golf shop staff.
 - Two (2) rain make-up dates will be added to the end of each league's above specified schedule. If the league opts to utilize a make-up day at the end of the league season, the funds from the cancelled day will transfer to the make-up day.
 - Make-up league days are allowed during the season on a different day or different time instead of at the end of the league season, but must be made in advance with golf shop staff and are subject to the availability of tee times.
 - If the league does not opt to utilize a make-up day, each player's funds for that day will be returned to them in the form of a rain check, to be used any time outside of league play.
 - Should the League Representative or Golf Course cancel a league round and players of the league opt to play anyway, the pre-paid funds for that round would not be valid and individuals must pay the daily player greens fee at the time of play.

- Any player who is unable to play for a scheduled league round due to extenuating circumstances, will have their funds returned to them in the form of a rain check, valid any time outside of league play, if the League Representative informs the golf shop of the no-show within 24 hours after the day of play.
- **Banquets** – Think Golf Madison Parks first for your league banquet!
