## EVENT OVERVIEW

On **July 9 and 10, 2022**, the Wisconsin Artists and Craftspeople, Inc. (WAAC) will celebrate its **43rd** annual Art Fair Off the Square. With over 75,000 visitors from across the region, the Art Fair offers a wide range of art and food. Occupying the 200 block of MLK, Jr. Blvd and the walkway to Monona Terrace is a celebration of both the arts and downtown Madison. Over 50 volunteers donate their time and energy to help make the Art Fair a success, and businesses also show their support through cash and valuable in-kind contributions of goods and services, such as promotional assistance, manpower, and donations of food and equipment. Since WAAC's very first event, it has grown into one of the most highly-respected juried art fairs in the region, restricted to artists from Wisconsin. Over 200 artists from across Wisconsin apply each year for the 135 exhibitor booths. **Admission:** FREE. Open to the public.

The Art Fair Off the Square is an annual event that boosts tourism, statewide visibility, trade, quality of life, and city pride. Education programs for area schools continue to bring teachers and students to the Art Fair to provide a greater understanding of art principles and traditions.

## ABOUT THE EVENT ORGANIZER

WAAC is a nonprofit, independent 501(c)3 organization. It is organized and run by a 9 member board.

## ANTICIPATED ATTENDANCE

The Art Fair Off the Square attracts and involves a large number of people over the weekend of the art fair, namely:

- 50 volunteers
- 135 artists assigned to 135 artist-designated booths

## PURPOSE OF THE EMERGENCY ACTION PLAN

- A. This emergency action plan predetermines actions to take before and during the Art Fair Off the Square in response to an emergency or otherwise hazardous condition. These actions may be taken by the organizers, staff/management, personnel, and attendees. These actions represent those required prior to the event in preparation for—and those required during— an emergency.
- B. Flexibility will be exercised when implementing this plan because of the wide variety of potential hazards that exist for all outdoor events. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.
- C. ASSUMPTIONS: The possibility of an occurrence of an emergency is present at any outdoor event. The types of emergencies possible are various and could require the response of Fire, Emergency Medical Services, and Police.
- D. This action plan reflects the following priorities:
  1. Life safety and minimizing harm
  2. Incident stabilization
  3. Property preservation

## UPDATING OF THE EMERGENCY ACTION PLAN

This emergency action plan was updated by **Danielle Brown** for the City of Madison Parks Department as part of their Streets Use Permit application. Per the suggestion of the City of Madison Fire Department, this plan incorporates elements of FEMA's *Incident Command System*.

(Plan for information communication to staff and volunteers during the event)

During the event, staff members and key volunteers from WAAC will be spread out over the whole fair and will be **carrying cell phones** and walkie-talkies, including the Board, **Danielle Brown** (Onsite Coordinator) and **Lezlie Blanton** (Executive Director).

When general information/evacuation needs to be communicated to all staff and volunteers during the event, **Danielle Brown** will use the cell phone list to contact designated persons. During set-up/tear-down, **Danielle Brown** and **Lezlie Blanton** will use cell phones to communicate to staff members and other key persons.

A staff member will call 911 in the event of an emergency. WAAC Staff members present will be asked to have the following information available to the 911 operator:

- ☐ Nature of emergency
- ☐ Location
- ☐ Contact person
- ☐ Callback number

If 911 is contacted by any WAAC staff or volunteer, the event's PRIMARY CONTACT (**Danielle Brown**) will be notified by the reporting person as soon as possible in person or by cell phone (the reporting person will keep calling **Danielle Brown** if they reach voicemail).

## SEVERE WEATHER

**Danielle Brown** is in charge of monitoring weather conditions. Weather forecasts and current conditions will be monitored through WeatherUnderground ([www.wunderground.com](http://www.wunderground.com)), AccuWeather ([www.accuweather.com](http://www.accuweather.com)), Channel 15 ([www.nbc15.com/weather](http://www.nbc15.com/weather)), and the 911 staff located in the City-County Building.

### Pre-Event:

If severe weather is predicted prior to the event, **Danielle Brown** will contact the president of the board to evaluate the conditions and determine if the event will remain scheduled.

### During Event:

If *questionable* weather begins to occur during the event, **Danielle Brown** will contact the president of the board to evaluate the conditions and determine if the event will remain open.

If *severe* weather begins to occur during the event, **Danielle Brown** will contact key persons who will be responsible for notifying artists of a weather emergency. Staff members and key volunteers will notify those attending the event that:

- ☐ A hazardous weather condition exists.
- ☐ Everyone should seek shelter either in Monona Terrace (best choice) or the City-County Building (not the best) as they are all designated severe weather safety zones. City-County Building has open doors on both Wilson and Carroll St. However there is limited space. Nearby parking ramps or open businesses (away from windows) are also options.

The Art Fair will remain open unless the weather is extremely dangerous.

### Lightning:

**Danielle Brown** will also be watching and listening for clues of impending lightning-related danger. This will include darkening skies, flashes of lightning, or increasing wind, which may be signs of a developing or approaching thunderstorm. She will also listen for thunder. If **Danielle** determines that lightning-related danger is present, she will call staff members and key volunteers to instruct everyone to spread the word to get to a safe place (inside substantial buildings). Staff will also be instructed to stay inside. Fair activities will not resume until Lezlie has determined that the lightning has passed (i.e., we will resume 30 minutes after the last thunder was heard). **Danielle** will call staff members and key volunteers to communicate that the fair is resuming.

## FIRE / FIRE SAFETY

No specific hazard has been identified as an increased risk of fire at this event. Nevertheless, WAAC staff will be instructed on the safe use of Portable Fire Extinguishers.

**Portable Fire extinguishers** will be kept at the Information Booth. All vendors are advised before the event, to comply with the Madison Fire Department rules and Temporary Vendor Compliance Guidelines. These guidelines state: "All open flame, hot surface or grease producing cooking shall be conducted a safe distance away from any tent. No cooking shall be conducted inside or under a tent."

Food vendors will be advised to use a **non-flammable floor covering** (from rolls) directly underneath cooking appliances.

### Fire Hydrants around the fair (Red Dots)

The Art Fair Off the Square and Art Fair on the Square will set up as follows near fire hydrants located within

the show:

## FIRST-AID MEDICAL EMERGENCIES

### Dedicated EMTs/Paramedics (Saturday/Sunday)

WAAC will contract with the Madison Fire Department to provide EMS coverage for both on and Off the square. Two Paramedics, one small ambulance, and a bike(s) will be present at both fairs. The paramedics are located near both shows. The **EMS/Paramedic Station** will be a 10x10 tent located near the intersection of S. Pinckney x E. Main Street on the Capitol Square sidewalk near the kid's area. A parking space will be designated on King Street for Ambulance parking (a bagged meter

will have a sign "Ambulance parking only".

The paramedics will be given a list of cell phone numbers.

Sunday, July 10, 2022, 9:45 AM – 5:15 PM

### For Severe Injuries:

1. If a person is seriously injured or becomes violently ill and requires medical attention, WAAC Staff will call **the EMS Station**. The paramedics will come to the location of the injured person. Staff will be advised not to drive/move the ill or injured person for medical assistance. If the on-site paramedics don't answer staff will call 911 immediately.
2. Staff will provide minor first aid as possible. In all injuries of serious nature, such as a fall, broken limbs, unconsciousness, etc., staff will be advised that the injured should NOT be moved. They will wait for the paramedics and make the injured person as comfortable as possible.
3. Staff will obtain the name of the injured person, and inform the person that help is coming. They will notify **Danielle Brown** of the situation and location of the injured person and which entrance the paramedics/EMS crew plans to use. If serious, **Danielle Brown** will attempt to notify the onsite Police Officers of the situation.
4. Staff will be asked to clear the area of bystanders in a quick, calm, assertive, and polite manner, and clear the area of any obstacle that may be in the path of the paramedics/EMS crew.
5. Staff will attempt to obtain the contact information of the injured person and that of one witness.
6. In the event that the injured person wishes to file a claim, staff will have them contact Leslie Blanton. A key staff person will obtain the name of the injured person and a witness.
7. Complete an Incident/Damage/Theft form.

### For Mild Injuries or Heat Exhaustion:

For people with heat exhaustion, or other mild first aid situations, **call the EMS Station and the paramedics**

will come to the location of the injured person. If the person is nearby the **EMS/Paramedic Station** at the intersection of S. Pinckney x E. Main Street on the Capitol Square sidewalk (near the kid's area), the staff person will escort the person to the EMS Station.

### **A First Aid Kit**

A First Aid kit will be on hand at the Information Booth.

### **DISRUPTIVE / THREATENING BEHAVIOR**

When disruptive behavior is identified at the event, WAAC Staff members and key volunteers will be asked to follow these procedures:

1. Remain calm.
2. Let the person state his/her entire complaint.
3. Be sympathetic but remain neutral. If you have the time, let the person talk for a while.
4. If the individual is abusive, tell him/her that such language is not appropriate for a public place.
5. Decide if you can solve the problem. If possible, try to do so. If not, refer the person to contracted security on duty.
6. If the appropriate staff person is not available, tell the person you will see to it that the information will be relayed as soon as possible.
7. If a disruptive individual wishes action taken, get information on how staff members can contact the individual. If this is an artist, get their name and booth number and relay it to the Information Booth.
8. If behavior becomes threatening, tell him/her you must move on/return to work. If the individual persists, call security.
9. The key to control in a situation where a person is being physically threatening is TEAMWORK. Call for help from a security person or enlist a fellow staff person when possible.

### **ALCOHOL CONTAINMENT**

No alcoholic beverages are served at the Art Fair Off the Square.

### **SECURING VALUABLES**

Vendors are instructed as follows:

- ☐ Keep tent secured/closed/fastened overnight.
- ☐ It is recommended that all items of value are taken with you at the end of each day.
- ☐ When you have to leave your booth during the event, go to the Information Booth for help.

### **EMERGENCY VEHICLE ACCESS**

Art Fair OFF the Square vendor tents are set up in the street, allowing for ease of access for emergency vehicles. A lane, 20 feet in width, is maintained to create an emergency access lane for the Madison Fire Department as well as pedestrian access.

### **LOST CHILDREN OR ADULTS**

Designated "lost child/adult" area: Information Booth at the corner of MLK, Jr. and Doty.

Should an individual become lost or separated from friends/family, all staff will be advised to escort the missing person to the Information Booth. Staff will be asked to follow these instructions:

If you are relaying a report of a lost person, please give a full description including the missing person's name, height, weight, hair color, age, and clothing so the Capitol and City of Madison police can be alerted.

If you find a lost child or adult, please do the following:

FOR LOST CHILDREN: Escort the lost child to the Information Booth yourself or have another staff person do so. Do not ask a volunteer.

FOR A LOST ADULT: Direct the individual to Headquarters. Use your discretion; an adult may also need an escort. Call Headquarters if you are very busy. A police officer may be available to meet you and escort the individual.

If someone is looking for a reported lost child or adult, they should check at the Information Booth.

Once a lost person is reunited with their friends/family, communicate the good news to staff and key volunteers so that they may call off the search.

### **EVACUATION**

1. Staff and key volunteers are responsible for notifying artists of non-weather situations requiring evacuation. Staff will speak with the security staff/Police and will call key cell phone numbers when such a need arises. All Staff will contact other nearby staff members when notice is announced over the radio.
2. Each staff person and key volunteers are advised to calmly notify artists. Artists will be asked to exit the 200 block of MLK, Jr. and the walkway to Monona Terrace on foot using the street closest to their booth.
3. In the case of situations requiring evacuation, staff members will be asked to remove the cash from the registers at the Information Booth unless their personal safety is at risk.
4. The Art Fair will remain open unless a situation is extremely dangerous.
5. WAAC Staff and key volunteers will assemble at the Information Booth, unless the area is at general risk, in which case staff members should head to Monona Terrace across the walkway asap after evacuation. If the downtown area is at general risk staff and key volunteers will be advised to stay at Monona Terrace.

## **ACCESSIBILITY**

### **General Event Access for Persons with Disability**

The event takes place in city streets. WAAC ensures that vendors' booths do not block access to ramps between sidewalks and streets so that persons with a disability can access and move around the event. Also, because the 200 Block Of MLK, Jr. is only partially blocked (with non- permanent barricades), in an emergency, persons with a disability are able to leave the venue without significantly impeding the movement of other patrons.

### **Restroom Access**

WAAC staff will have knowledge of the following (also available at the Information Booth): Monona Terrace (best choice) and restaurants near the show offer accessible restrooms.

**Danielle Brown will have a copy of this document at the art fair.**
