Hi Jim,

I will not be able to attend the ALRC meeting this Wednesday due to a conflicting meeting, so I wanted to let you know that as the alder for the district, I support this request for an entertainment license for The Boneyard to have live music until 10 pm on Fridays and Saturdays. Since opening, they have been an asset to the area and a responsible neighbor. I've shared their request on my blog a few times and have only received positive responses thus far, which I have forwarded to be included in the file.

Thank you,

Lindsay
