Landmarks Commission:

I am writing in reference to item 4 on the agenda for your meeting on Monday, May 9, the new Landmarks Ordinance proposed by the Landmarks Ordinance Review Committee, Legistar # 70641.

Smart Growth Greater Madison requests that you consider recommending the revisions Smart Growth is requesting to the new Landmarks Ordinance. These requested revisions are contained in one of the attached documents, Smart Growth - Revised Landmark Ordinance(47123848.10). This document already is part of the file for Legistar #70641.

The other two attached documents are a letter explaining Smart Growth's requested revisions and a document that was previously presented to the Plan Commission, which shows when buildings in the local historic districts were constructed.

Thank you for your consideration.
