Dear Mr. Jim Verbick and ALRC:

The Marquette Neighborhood Association (MNA) requests that the ALRC postpone voting on items 71461 (Change of Licensed Conditions) and 71462 (Change of Licensed Premises) at the May 18, 2022 meeting.

To our knowledge, the applicant, MadSweetPea LLC dba Taco Local (agent David Rodriguez) has not made Alder Brian Benford aware of the application, there has not been a neighborhood informational session, the applicant has not contacted the MNA Preservation & Development (P&D) Committee or the MNA Board of Directors about the applications. Nearby neighbors have not had the opportunity to engage with Alder Benford or the neighborhood association to discuss any concerns.

We request a delay in the vote until:

1. A neighborhood informational session is held.
2. The MNA P&D committee reviews the applications at a regular committee meeting, to which nearby neighbors and The Livingston Condominium Association Board of Directors will be invited.
3. The MNA Board of Directors has the opportunity to vote on any recommendation that may be made by the P&D committee.

Thank you for your consideration.

Sincerely,

Marlisa Kopenski Condon
Chair, MNA Preservation & Development Committee
