

**1705 & 1713 S High Point Road
Deferred Assessments Request
Matt Dahl – Hickory Hill Academy / Dahl Family, LLC**

Summary:

- Conditionally approved Certified Survey Map (CSM) to combined 1705 S High Point Road (PN 070835301197) and 1713 S High Point Road (PN 070835301204) into one lot.
- The referenced parcels were attached to the City of Madison from the Town of Middleton on May 1, 2021 (Legistar file 64808).
- There are deferred assessments on both parcels from S High Point Road street and sewer improvements that were assessed against the parcels in 2006. Per the intergovernmental agreement these assessments were deferred until the parcels attached to the City. Upon attachment the deferred assessments are due to be paid in full or over 6 annual installments. The first payment for the assessments are due October 31, 2022.
- Per MGO 16.23(5)g.1 – “all unpaid special assessments shall be paid unless determined otherwise by the Board of Public Works” as a condition of CSM final approval
- Matt Dahl (of Hickory Hill Academy / Dahl Family, LLC) is requesting that the assessments be allowed to be paid over the 6 year period as indicated in the intergovernmental agreement with the Town of Middleton
- City Staff recommend that the initial annual payment for the assessments on both existing parcels that are due October 31, 2022 be paid prior to final CSM approval. The remaining principal and interest for the outstanding assessments then be combined and applied to the new parcel created by the pending CSM.

To whom it may concern:

I am requesting that the BPW consider to authorize the unpaid special assessment for parcels 0708-353-0119-7 & 0708-353-0120-4 to be combined and levied against the single parcel that will be created by the CSM, with 5 remaining payments.
