Planning Memo

To: Eric Knepp, Parks Superintendent

From: Ann Freiwald, Planning and Development Manager

RE: Naming Request for Three New West Parks

The purpose of this memo is to request the following names for park parcels located on the far west side of Madison.

- Birchwood South Park: Located at 10305 Hazy Sky Parkway, the park name reflects the name of the plat in which it is located, plus the word "south" to indicate its location in the southern area of the plat.
- Acer Park: Located at 10327 Shady Birch Trail. The name refers to the genus name of maple trees.
- Acacia Ridge Park: Located at 9251 Watts Road, the park name reflects the name of the plat.

The Long Range Planning Committee will consider these names at the June 22, 2022 meeting.
