

Madison 311: CCEC Update on 311 Implementation Project Organization Structure

Sarah Edgerton, CIO, City of Madison
July 6, 2022

Background

2022 Capital Improvement Plan Amendment: Project funded to hire a consultant to project manage and facilitate discussion to support the further development of a 311 roadmap for the City of Madison.

Scope of project

- Facilitating discussions with key stakeholders
- Reviewing all city agencies that would benefit from a streamlined service delivery currently provided as walk-in, phone, or on-line.
- Analyzing and assessing the impact of the existing structure to support a 311 CRM
- Assessing the City's website
- Assessing the current state of readiness for 311 implementation.
- Organizing and facilitating discussions
- Reviewing the 311 Envision Report/Roadmap and building upon its findings and recommendations.
