Dear ALRC members,

I've spoken with the applicant for Item 41 on your agenda, Ms. Filion of Laura Garden LLC.

She's not met with either of the two nearby neighborhood associations, Viias and Greenbush.

She's agreed that these meetings are necessary and has further agreed that her application should be referred to next month's ALRC meeting.

Please note below there are also some concerns expressed by the Midtown District Captain that need to be addressed as well.

Thanks.

She had previously been granted a license at this location, a few years ago. However, she never did all the steps to get it issued within the license issuance deadline, so it was automatically surrendered. She is reapplying essentially, but she has no entitlement due to the previous granting.

Thanks Jim.

Alder Evers—I have experience with Ms. Filion from my time Central. I have some concerns with this

applicant based on the past history, and a number of relevant portions of her application are not complete (such as hours of operation, and she is not claiming to be a restaurant but included a menu in her application). Both Alder Zellers and Verveer opposed previous applications from Ms. Filion.

I have reached out to ACA Zilavy to discuss further. I have not heard from the applicant.
