Executive Summary

The financial reports represent the revenues, expenses and budget at the time of producing the report. This supplementary report provides analysis of MPL's financial statements. Variances between current and last year to date actuals are reported as either a timing variance where actual transactions occur on a non-linear timing basis, or a permanent variance where actual performance will not meet or exceed the estimated year-end budget target. The City of Madison processes year-end accrual entries, but does not process month-end accrual entries. This can skew the financial data reported in January, February and December. The wages and benefits are the most notably affected by this process. Percentage of budget used reflects actual expense and encumbrances; Madison Public Library encumbers many annual expenses at the beginning of the year.

Accounting for donations and grants utilizes the Project Ledger in Munis, the City's financial software. Munis places limitations on budget processing in Project Ledger, only allowing use of a singular General Ledger account for budget entries. Madison Public Library staff spend the donations and grants using many different General Ledger accounts. This process can overspend budget on one account and underspend budget on another account. While budget and spending is processed at the account level, overall the City requires spending to be within budget at the major account group level. The major account groups are listed as the sections on this report: Revenue; Wages and Benefits; Supplies; Purchased Services; and Debt/Inter-Departmental Charges.

Changes to Previously Reported Amounts

MPL creates the MTD Financial Report when the City of Madison Finance Office is still posting to prior periods. Changes to prior period amounts are listed in bold font in the notes.

Revenue

Revenue budget used: 79%

- Real Estate Taxes have the first four installments processed. Installments are posted in January, February, April, June and August.
- Federal Revenues Operating 2021 total included the e-rate rebate, which we will not be receiving in 2022.
- Other Unit of Government Revenues Operating April amount includes the Dane County Contract revenue of \$1,277,496, with offsetting expense of \$1,803,076, netting to an expense of \$525,580.

Wages and Benefits

Wages and Benefits budget used: 44%

- Wages and Benefits has 11.5 pay periods out of 26 pay periods. Last YTD had 11.8 pay periods out of 26.1.
 - January is low due to the City's accrual process posting a portion of the first 2022 payroll back to 2021.
 - April had three pay periods.
- Hourly Overtime Wages have been incurred due to the staffing issues to keep branches open. In the past, people would come in to work with a cold or when they weren't feeling 100%; the pandemic has taught people to stay home when they are sick.
- Compensated Absence Escrow represents retiree sick leave payouts. These expenses are incurred throughout the year; budget is established by the City. Library anticipates additional expenses through the year, if Wages and Benefits are over budget at year-end Library will use Fund Balance to make us whole.
- Post Employment Health Plans expenses are processed in January only.

Supplies

Supplies budget used: 44%

- Hardware Supplies are over budget due to gaming laptops purchased with MPLF funds budgeted in Program Supplies. MPL needs to process a budget transfer for these funds.
- Program Supplies **May total increased by \$1,721 due to transactions posting after last month's report was prepared.** Budget includes approximately \$230,000 in funds intended to be spent over multiple years.
- Library Collections Materials:
 - Combined Capital and Operating budget is \$1,515,721 with purchases to date of \$635,382, 42% of budget is used. There are additional encumbrances not reflected in Munis of \$57,460, bringing us to 46% of budget used.
 - Capital budget:
 - General Collections budget is \$976,405 with purchases to date of \$364,792, 37% of budget is used.
 - Pinney Collections budget is \$72,118 with purchases to date of \$18,652, 26% of budget is used.
 - Lakeview Too Good To Miss budget is \$50,921 with purchases to date of \$5,006, 10% of budget is used.
 - Operating budget is \$416,276; with purchases to date of \$246,931, 59% of budget used.
- Plumbing Supplies are over budget due to replacing touch faucets with sensor faucets at multiple facilities.

Purchased Services

Purchased Services budget used: 80% (When factoring out the Dane County Contract, budget used is 40%)

- Natural Gas expense is higher due to MGE rate increases. January usage charges, paid in February, were extremely high. We may need to reallocate budget from another line item. We will watch this and potentially receive additional budget during the mid-year appropriation.
- Water expense is higher than previous months due to Central's AC system usage of water for cooling. This is typical and expected.
- Telephone Expense **May total increased by \$273, due to a late posting of bills processed by City Finance.**
- Systems Communication Internet expense is at 97% budget. This is expected, as the main expense is an annual purchase made in January.
- Building Improvement/Repair/Maint:
 - Monthly common area maintenance charges of \$14,896 for Hawthorne, Ashman, Lakeview, Meadowridge, Pinney and Sequoya.
 - Additional June expenses include break room sink install at Ashman, plumbing repairs at Central and Lakeview, and Central door repair.
- Fire Protection is over budget due to equipment upgrades unknown at the time the 2022 budget request was created.
- Equipment Improvement/Repair/Maint encumbrance represents 2022 HVAC maintenance and printer/copier maintenance. There were some unexpected repairs causing MPL to be over budget. Most items are encumbered and will not increase the budget percentage as the bills are paid.
- Conferences and Training June expenses are for Drupal Con travel expenses, delegation and strategic planning trainings, Economic Diversity Summit and computer classes.
- Membership expense for June is the Costco renewal.
- Uniform Laundry June expense includes credit for a lost item charge in May.
- Advertising Services **May total increased by \$310 due to transactions posting after last month's report was prepared.** The largest purchase in June is for the 2022 We Read Banner at \$1,470.
- Security Services is over budget due to some unexpected system upgrades.
- Community Agency Contracts represents the Dane County Contract expense, with offsetting revenue of \$1,277,496, netting to an expense of \$525,580.

Debt/Inter-Dept Charges

Debt/Inter-Dept Charges budget used: 12%

- Inter-Dept Charge from Engineering is for Hawthorne building maintenance.
- Inter-Dept Charge from Fleet Services for **April increased by \$621**, and May has not been posted as of the time this report was created. April charges include \$347 for vehicle repairs.
- Inter-Dept Charge from Traffic Engineering is an annual expense. There may be additional minor charges for repairs.
- Inter-Dept Charge from Insurance is the January through May expenses.
- Inter-Dept Charge from Workers Comp has not been posted by City Finance yet.
- Transfer out to Debt Service is the April interest payment on Library's General Obligation (GO) borrowing. The principal and interest payment will be processed in October.
