**INCIDENT COMMAND:**

Incident Command will be set-up in the Capitol Police Building. We have met with MPD as well as the Capitol Police regarding the 2022 event and possible extra precautions.

**EVENT OVERVIEW:**

On September 3rd and 4th, 2022, Madison Festivals, Inc will celebrate the 40th annual Taste of Madison. With over 250,000 visitors from across the region, Taste is a celebration of food, entertainment, and fun! For the past 40 years, Madison's finest in eats and entertainment, families and friends gather in the Capitol Square for this free festival. This year, Taste of Madison features close to 60 restaurants and over hundreds of menu items, 26 beverage stands, 3 stages, and live musical performances. Hundreds of volunteers donate their time and energy to help make Taste a success while earning thousands of dollars for local area charities and non-profits.

Many local, regional, and national businesses show their support through cash and valuable in-kind contributions of goods and services.

**Admission:** FREE. Open to the public.

**MADISON FESTIVALS:**

MFI is a recognized 501(c)3 non-profit volunteer-based organization that produces and develops events in the greater Madison community such as Taste of Madison, and the Madison Marathon race weekends. These events enhance the quality of life for residents, showcase the area to visitors, and provide assistance to local charitable organizations.

**EMERGENCY ACTION PLAN:**

The purpose of the Emergency Action Plan is:

**A.** To predetermine actions to take before and during the Taste of Madison (aka the event) in response to an emergency or otherwise hazardous condition. These actions may be taken by the organizers, staff/management, personnel, and attendees. These actions represent those required prior to the event in preparation for—and those required during— an emergency.

**B.** Flexibility will be exercised when implementing this plan because of the wide variety of potential hazards that exist for all outdoor events. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.

**C. ASSUMPTIONS:** The possibility of an occurrence of an emergency is present at any outdoor event. The types of emergencies possible are various and could require the response of Fire, Emergency Medical Services, and Police.

**D.** This action plan reflects the following priorities:

1. Life safety and minimizing harm
2. Incident stabilization

### 3. Property preservation

This emergency action plan was originally prepared in August, 2013 by the staff of Purple Door Productions, Inc in response to a request from the City of Madison Fire Department to revise and expand its safety and security plan for the event. Per the suggestion of the City of Madison Fire Department, this plan incorporates elements of FEMA's *Incident Command System*. It has been updated in May of 2022 to reflect changes over time.

#### **COMMUNICATION PLAN:**

All event staff, restaurant and beverage captains, power crew, entertainment director, and beverage company representatives carry two-way radios utilizing various radio channels to communicate during the event. A breakdown of channels and their respective area of the event management follows:

##### **Radio Channels**

Channel 1: Event Staff and Headquarters all weekend

Channel 2: Power and Street Captains

Channel 3: Beverages

Channel 4: Entertainment

When general information/evacuation needs to be communicated to all staff and volunteers during the event, Sara Klemme, President, will use the radio. Staff members will communicate to lead volunteers on their respective channels.

In the event of an incident, notification of the situation will be through the use of either the Non-Emergency Police Dispatch or 911, dependent upon the severity of the incident. Event Staff or volunteers present will be asked to have the following information available to the 911 operator:

- Nature of emergency
- Precise location
- Contact person with callback number.

If 911 is contacted by any event personnel, Taste of Madison's PRIMARY CONTACT (Sara Klemme), will be notified by the reporting person as soon as possible in person, by radio or by cell phone.

#### **SEVERE WEATHER:**

All Event Staff monitor weather conditions using onsite computers and smart devices with weather alerts being programmed to notify staff when issued. Event Command will have access to radar and further resources from Command.

**Pre-Event** - If severe weather is predicted prior to the event, staff will consult with Sara Klemme, president of Madison Festivals to evaluate the conditions and determine if the schedule needs to be modified, or in extreme conditions, if the event will be held.

**During Event:** If *questionable* weather begins to occur during the event, Event Staff, in consultation with Madison Festivals and onsite emergency personnel, will evaluate the conditions to determine if the event will remain open.

If *severe* weather begins to occur during the event, Event Staff will radio all personnel carrying radios to inform them of the determined course of action. Restaurant and beverage captains and other staff will notify vendors within their assigned areas.

Event staff members will notify the entertainment director to use entertainment stage sound systems to announce:

- Hazardous weather conditions exist
- Attendees, volunteers, staff should seek shelter in:
  - o The State Capitol building (If life threatening only)
  - o The Madison Municipal Building (210 Martin Luther King Jr. Blvd.)
  - o The City County Building (215 Martin Luther King Jr. Boulevard)
  - o The nearest parking ramp
  - o Open businesses in the area (away from windows)

Taste of Madison will remain open unless weather is extremely dangerous, which includes:

**Lightning:** Event Staff will monitor weather alerts and maintain onsite observation for impending lightning-related danger. Indications include darkening skies, flashes of lightning, or increasing wind, which may be signs of a developing or approaching thunderstorm. If Event Staff determine lightning-related danger is present the communication system described above will be activated.

Event Staff will also be instructed to stay inside. Taste activities will not resume until it has been determined that the lightning has passed (i.e., event will resume 30 minutes after the last lightening strike).

Event Staff will radio and/or call staff members to communicate that the event is resuming.

## **EVACUATION:**

Event staff and all personnel with radios are responsible for notifying vendors, sponsors, entertainment stages, and attendees of non-weather situations requiring evacuation.

Event personnel with radios are advised to contact Headquarters if they feel such extreme measures are needed. The Event Staff in consultation with the President of Madison Festivals, Law Enforcement and Emergency Responders will determine if such action is required.

If a partial or full evacuation is required, a course of action will be determined and communicated to all personnel with radios.

Restaurant/Street/Beverage Captains will be advised to calmly notify vendors in their areas of situations requiring evacuation. Vendors will be asked to exit the square on foot using the street closest to their booth.

Event Staff and Beverage Captains will ask beverage stand volunteers to place all monies in stand lock boxes. If required Event Staff and Madison Festivals directors will remove lock boxes from beverage stand locations unless their personal safety is at risk.

Taste of Madison will remain open unless a situation is extremely dangerous.

Event Staff members will assemble at Headquarters unless the area is at general risk, in which case Event Staff members should meet in the lobby of Inn on the Park after completing the evacuation.

#### **FIRE / FIRE SAFETY:**

Taste of Madison is first and foremost a food-oriented event. In 2022, with sixty (60) restaurant vendors preparing and serving hundreds of different items to the 250,000 attendees the potential for a fire emergency exists.

All vendors are advised in writing, before the event, to comply with the Madison Fire Department rules and Temporary Vendor Compliance Guidelines. These guidelines state:

*"All open flame, hot surface or grease producing cooking shall be conducted a safe distance away from any tent. No cooking shall be conducted inside or under a tent."*

Food vendors are directed to use a **non-flammable sorbent floor covering** (from rolls) directly underneath cooking appliances.

The four (4) cooking methods used during the event that create a higher risk of fire emergency are:

**Charcoal/Wood Grills** – Food vendors prepare food over open-flame grills. The event provides metal containers for hot ash.

**Grease** – Food vendors prepare food in hot oil/grease utilizing deep fryers. The event provides metal barrels for the disposal of oil/grease.

**Propane Gas** – Many food vendors use propane gas to cook their offerings. The event has contracted with AmeriGas to provide and deliver propane tanks to the event vendors.

During load-in on Friday, September 2, 2022 AmeriGas will deliver XX 100# Propane Tanks. The 100# tanks will be delivered to the food vendors that have pre-ordered these supplies.

Extra 100# propane tanks will be stored and secured at the event headquarters.

**Electrical** – The event contracts with Aggreko Event Services to provide power to all food vendors, sponsors booths, and stages. Six (6) 200kW generators will be placed – See Appendix 2 Equipment Map – at various locations around Capitol Square.

Electrical cable is run from the generators along the curb/gutter of each block to provide power to each booth.

Generators will be placed beginning at 11:30 am on Thursday, September 1, 2022. Electrical cable will be placed starting at 7:00 am on Friday and power will be connected to all booths and stages after 6:00 pm the same day.

**Madison Fire Department will have Fire Inspectors onsite during the load-in period and on event days to insure compliance with all fire codes.**

#### **Fire Hydrants around the square (Red Dots)**

Taste will set up as follows near fire hydrants:

1. N. Carroll near State/W. Mifflin (Capitol side) – No booth.
2. S. Carroll near W. Washington (Capitol side) – No booth
3. S. Carroll near S. Hamilton (Opposite Capitol) – No booth
4. W. Main near S. Hamilton (Capitol side) – No booth
5. W. Main near MLK Jr (Capitol side) – No booth
6. MLK Jr. Blvd – No booth
7. Top of King Street (Capitol side) – No booth
8. S. Pinckney near E. Wash (Capitol side) – No booth
9. E. Mifflin near N. Hamilton (Capitol side) – No booth
10. W. Mifflin near Wisconsin (Capitol side) – No booth

#### **FIRST-AID/MEDICAL:**

Taste of Madison contracts with the Madison Fire Department to provide EMS coverage for the event. Two Paramedics, equipped with a small ambulance and additional resources will be present at the event. The **EMT Station** will be a 10x10 tent located at the intersection of Carroll Street and West Washington in the State Capitol building driveway.

The EMT Station is located next to the Lost Child tent.

The EMT's will be provided a two-way radio(s) to communicate with staff on **Channel 1** during the event hours:

- Saturday, September 3, 2022                      2:00 pm – 8:30 pm
- Sunday, September 4, 2022                      11:00 am – 7:00 pm

**For Severe Injuries:**

1. If a person is seriously injured or becomes violently ill and requires medical attention, personnel will **radio the EMS Station on Channel 1**. The paramedics will come to the location of the injured person. Staff will be advised not to drive/move the ill or injured person for medical assistance. If the on-site paramedics don't answer, staff will call 911 immediately.
2. Staff will provide minor first aid as possible. In all injuries of serious nature, such as a fall, broken limbs, unconsciousness, etc., staff will be advised that the injured should NOT be moved. They will wait for the paramedics and make the injured person as comfortable as possible.
3. Staff will obtain the name of the injured person, and inform the person that help is coming. They will notify Ryan Richards, Event Director, (or Headquarters) of the situation and location of the injured person and which entrance the paramedics/EMS crew plans to use. If serious, Ryan Richards will attempt to notify the onsite Police Officers of the situation.
4. Staff will be asked to clear the area of bystanders in a quick, calm, assertive, and polite manner, and clear the area of any obstacle that may be in the path of the EMT crew.
5. Staff will attempt to obtain the contact information of the injured person and that of one witness.
6. In the event that the injured person wishes to file a claim, staff will have them contact Sara Klemme, President of Madison Festivals. The staff person will obtain the name of the injured person and a witness.
8. Complete an Incident/Damage/Theft form.

**For Mild Injuries or Heat Exhaustion:**

For people with heat exhaustion, or other mild first aid situations, **radio the EMS Station on Channel 1**. The paramedics will come to the location of the injured person. If the person is nearby the **EMS Station** at the intersection of Carroll and West Washington the staff person will escort the person to the EMS Station.

**First Aid Kits** - First Aid kits will be on hand at the following locations during the event:

- Headquarters Tent
- Lost Child Tent

**DISRUPTIVE BEHAVIOR:**

When disruptive behavior is identified at the event, Event Staff and/or volunteers will be asked to follow these guidelines:

1. Remain calm.
2. Let the person state his/her entire complaint.
3. Be sympathetic but remain neutral. If you have the time, let the person talk for a while.
4. If the individual is abusive, tell him/her that such language is not appropriate for a public place.
5. Decide if you can solve the problem. If possible, try to do so. If not, refer the person to an Event Staff member or Madison Festivals President.
6. If the appropriate staff person is not available, tell the person you will see to it that the information will be relayed as soon as possible.
7. If a disruptive individual wishes action taken, get information on how staff members can contact the individual. If this is a restaurant vendor or sponsor contact Headquarters.
8. If behavior becomes threatening, tell him/her you must move on/return to work. If individual persists, call Headquarters, Event Staff, or Madison Festivals President.
9. The key to control in a situation where a person is being physically threatening is TEAMWORK. Call for help on your radio or enlist a staff person or Madison Festivals President when possible.

**ALCOHOL SERVICE:**

Taste of Madison serves alcoholic beverages from ten (10) beer stands, four (4) wine stands, and four (4) malted beverage stands. Each stand has a supervisor and/or one person on duty at all time that has completed a certified RESPONSIBLE SERVERS course. Beverage stand volunteers are trained to request ID's from individuals that appear underage and will provide wristbands to these persons with proper ID. Attendees are permitted to purchase no more than two alcoholic beverages at a time.

During event hours, four (4) Beverage Captains are on duty to supervise the beverage stands in an assigned area of the Square. These Captains and the Event Staff are licensed bartenders by the City of Madison. All personnel associated with the event should report individuals suspected of intoxication to Event Staff, Restaurant/Street/Beverage Captains, and/or Law Enforcement personnel immediately.

**ALCOHOL CONTAINMENT:**

Taste of Madison is permitted to be an open container event from the outer loop to the State Capitol Building.

At all street exits from the Capitol Square, signs will be posted on barricades noting:

**NO ALCOHOL BEYOND THIS POINT**

Event Staff, private security, and volunteers located near the exits off the square, and notify fair goers (holding beer/wine cups) that open alcohol must not leave event.

Staff and volunteers to be instructed that: *Intoxicated and underage persons are not to be served alcohol.*

#### EMERGENCY VEHICLES:

Taste of Madison vendor tents are set up partially in the street (10' from curb) and partially up on curbs, allowing for ease of access for emergency vehicles. A 20' fire lane is maintained to create an emergency access lane for the Madison Fire Department (except where exemptions are permitted by the Madison Fire Department) as well as pedestrian access around the square.

#### LOST PERSON:

A **LOST CHILD** area is located on the State Capitol Building driveway at the intersection of Carroll Street and West Washington.

In the event that an individual becomes lost or separated from friends/family, all personnel with radios, Capitol Police, and Madison Police will be advised with the following:

1. If you are relaying a report of a lost person, please give a full description including the missing person's name, height, weight, hair color, age, and clothing.
2. If you find a lost child or adult, please do the following:
  - FOR LOST CHILDREN: Escort the lost child to the LOST CHILD area yourself or have another staff person do so.
  - FOR A LOST ADULT: Direct the individual to LOST CHILD area. Use your discretion as an adult may also need an escort. Call Headquarters if you are very busy. A police officer may be available to meet you and escort the individual.
3. If some is looking for a reported lost child or adult, check the following areas first:
  - LOST CHILD area
  - Headquarters
4. Once a lost person is reunited with their friends/family, communicate this information via radio in order to cancel the search.

#### ACCESSIBILITY:

Taste of Madison takes place on the City side of the streets encircling the State Capitol Building. The event is designed to ensure that vendor and sponsors' booths do not block access ramps between sidewalks and streets in order that persons with a disability can access and navigate around the event. Because the streets leading into and out of the square are only partially blocked (with nonpermanent barricades), in an emergency, persons with a disability are able to leave the venue without significantly impeding the movement of other patrons.

Taste of Madison provides handicap accessible restrooms at all locations of the portable restrooms at the event. In addition, the \*State

Capitol Building, the \*Wisconsin Historical Museum, and various restaurants around the Square offer accessible stalls.

\* closes at 4:00 pm daily.

\*The Capitol Building is wheelchair accessible at several entrances:

- Martin Luther King Blvd
- King Street
- East Washington Avenue
- South Hamilton Street
- Wisconsin Avenue
- State Street
- West Washington Avenue
- North Hamilton Street

\*The Capitol building has several elevators and wheelchair accessible restrooms:

- Women's – 2 South, 101 South
- Men's - 23 South, 30 East, 100 West
- Unisex - 31 East – accessible with power assisted door
