Dear City Officials:

The Marquette Neighborhood Association Preservation & Development committee has been in contact with the owners of The Deliciouser and are aware of their intention to manufacture at 931 E. Main Street, Suite 7. We are aware that they received approval from the ALRC in May and have no objections.

We understand they are applying for a conditional use permit to hold small cooking classes and tasting events. Their intended use is in line with the development norms and requirements of our neighborhood.

Our committee will be discussing this on Tuesday, August 9th and expect, but cannot guarantee, support. The MNA board will vote on this on August 16. The MNA President will send a letter communicating the position on August 17th.

At the time, the MNA has no objections to The Deliciouser's application.

Sincerely,

Marlisa Kopenski
Chair
Marquette Neighborhood Association
Preservation & Development Committee
