Transportation Commission:

One lane of S. Pinckney Street is closed to northbound traffic by the Judge Doyle hotel project. Please determine how long the construction barriers will occupy the street. A prolonged delay in your proposed project may be necessary due to the JDS construction.

Please add rectangular rapid flashing beacons (RRFBs) at the Pinckney and Dayton Street intersection. Cars exit quickly from the Block 89 parking garage, also traffic on Dayton moves quickly and infrequently yields to pedestrians attempting to cross at the Pinckney/Dayton intersection. This will provide an important safety feature and also assist bicyclists.
