We lost badger cab when the owner retired, and sold his business. Green cab bought them out and then became a med ride only business, which leaves only two cabs both meter. I am just one person but trying to go shopping, get to a friend's place, go out to eat, movie as the list goes on.... once I pay for cab fare through meter, I have to give up doing the other things. It's not easy, as it once was, to hop on a bus and walk several blocks.

A free meal is a free meal at a the Luke house, and such places, but one meter cab ride is 2 days worth of groceries. 1 day with friends, plus 6 visits to a doctor appointments.

Please find in your hearts to get zone cabs back.
