My name is Brian Schrader and I am a registered voter.

I live on the 4900 block of Camden Rd. I have been living here for almost 15 months and I work from home. In the time that I have lived here I have witnessed numerous cars speeding past my apartment. Two doors down from me my neighbor has small children that frequently play in the front yard and I often cringe at the thought of a speeder causing an accident. The next block on Camden between Hob St and Linda Vista Rd there are 3 speed bumps, and I am sure that the residents on that block do not have as many speeders. I was wondering what it takes to get a few speed bumps added to my block.
