Hello!

Thank you for your email. I have included the licensing committee on this communication.

I will continue to share meeting information and opportunities to share your concerns via the city blog as this item moves through the licensing process.

Thanks, Y
Alder Yannette Figueroa Cole (she/her/hers)
District 10 - Madison Common Council

Rocky's on the Beltline frontage road and Liquor Town in Fitchburg are nearby. Luna's Groceries sells beer and liquor. All the gas stations in the area and Santa Maria grocery sell beer. I'm also aware that the optics of an older white make opposing minority entrepreneurship are not good. Please feel free to contact me. I do plan to attend the ALRC hearing in opposition.
