To the planning commission,

My wife and I would like to register our opposition to the rezoning. You can't even stop drug use and littering in the park now. Keep the park free of additional opportunity for more drug use and littering in the park. You screwed the neighborhood already by not listening to us by putting the trails almost in our backyards. Why don't you spend the money on removing invasive species along homeowner's property lines by the park!
