

Dear ALRC Committee,

I am writing this letter on behalf of my sister Jennifer Wallace.

Jennifer has been sober for over four years. She recently graduated with a business management degree and took a job that is perfect for her. She needs her license to continue to be the manager of the store as alcohol is sold there and I have no concerns with this. She continues to better herself every day and strives to make things the best they can be.

Sincerely,
Wendi Strutt
