## LISTENING AND LEARNING

**Resident Surveys** ▪ The Taking Shape Team with the support of resident ambassadors completed the resident survey exercise. We received over 100 completed surveys from current residents! We appreciate the time residents took to tell us about their community and individual needs.

**Community Surveys** ▪ An online Community Survey was widely advertised to nearby neighborhoods and stakeholders throughout August. We received responses from 87 community members.

**Focus Groups** ▪ In August, EQT By Design hosted Resident Focus Groups for each CDA Triangle building. This was another opportunity for EQT By Design to hear from tenants and validate, verify, and better understand the comments received on the surveys.

**Up Next** ▪ The Taking Shape Team is using what we've heard from the Residents, Service Providers, and the Community. The developers and planning team are looking at site concepts and guiding principles.

Later this fall, the Taking Shape Team will host a Resident Workshop to present what we've learned, discuss themes, and show how these inform the future redevelopment of the Triangle.

Details for Resident Workshops will be posted in the buildings and on the Taking Shape Website when they are available. Stay tuned!

## ABOUT THE PROJECT

Taking Shape, Our Triangle, is a partnership between the CDA and New Year Investments to redevelop the CDA Triangle Sites over the next decade.

Taking Shape is about embracing a moment of change to make a lasting positive impact on the neighborhood and our community at large. It is about giving voice to the community to shape what our corner of the neighborhood can become.

The Team is in the **Planning Phase** of the project. Construction is expected to happen in multiple **Building Phases** beginning in 2024 or later.

## CONVERSATIONS

Each Month, on the 2nd Wednesday, The Taking Shape Team is at Brittingham for **Lemonade with the Taking Shape Team** to answer any resident questions and to better get to know Residents. The next dates are: Wednesday, September 14th at 3:00pm. and Wednesday, October 12th at 3:00pm. Please come say hello!

## BULLETIN BOARDS

Bulletin Boards have been placed in each building. This is a great place to learn about the project, the team, and upcoming events. We will keep these up to date. The website, [www.our-triangle.com](http://www.our-triangle.com) is another place to find project information.
