Business Plan

We aim to make Caspian Grill Madison's premier destination for charcoal-grilled Mediterranean eats and fine baked goods. Our passion is to serve great food in an inviting environment, with warm and friendly service.

Cooking is a part of the Azerbaijan culture, and we want to share it with the public. Our homemade dishes are made from scratch using the freshest ingredients.

We intend to host diners, wedding receptions, anniversary parties, graduation parties, corporate parties, and other special events.

We will have live music, such as piano, jazz, and other traditional music on Friday and Saturday nights. Each Sunday will have a special brunch with piano music.

Finally, Caspian Grill will provide catering for special events.

Join us, and experience cuisine like no other!
