2. A minimum of two (2) working days prior to requesting City Engineering signoff on the CSM, contact either Tim Troester (West) at (608) 267-1995 (ttroester@cityofmadison.com) or Brenda Stanley (East) at (608) 261-9127 (bstanley@cityofmadison.com) to obtain the final stormwater utility charges that are due and payable prior to subdivision of the properties. The stormwater utility charges (as all utility charges) are due for the previous months of service and shall be cleared prior to the land division (and subsequent obsolesces of the existing parcel).

4. The portion of the title lands within the City of Madison shall be dedicated /conveyed to the City of Madison for public road purposes prior to recording this Certified Survey Map to assure there is not a remnant area left behind.
5. The applicant shall dedicate seven feet of right of way along Woods Road for a total of 40 feet from centerline.
6. Provide an updated title report prior to final CSM sign off.
7. For the road dedication, note include the name of Woods Road in the label.
8. Add the hatch style to the Legend depicting the existing corporate boundary of the City of Madison.
9. Add to the surveyor's certificate that the CSM is also compliant with the Subdivision Ordinance of the City of Madison.
10. Wisconsin Administrative Code A-E 7.08 identifies when Public Land System (PLS) tie sheets must be filed with the Dane County Surveyor's office. The Developer's Surveyor and/or Applicant must submit copies of required tie sheets or condition reports for all monuments, including center of sections of record, used in this survey, to Jeff Quamme (jrquamme@cityofmadison.com), City Engineering.

Please Jenny Frese of the City's Office of Real Estate Services at (608) 267-8719 if you have questions regarding the following seven (7) conditions:

14. Prior to final sign-off by the Office of Real Estate Services ("ORES"), the Owner's Certificate(s) on the CSM shall be executed by all parties of interest having the legal authority to do so, pursuant to Wis. Stats. 236.21(2)(a). Said parties shall provide documentation of legal signing authority to the notary or authentication attorney at the time of execution. The title of each certificate shall be consistent with the ownership interest(s) reported in the most recent title report. The City and the Register of Deeds are now accepting electronic signatures. A PDF of the CSM containing the Owner's signature

shall be provided to ORES to obtain approval sign-off. ORES can assist with obtaining the electronic signatures or the Clerk and Plan Commission Secretary.

15. Prior to CSM approval sign-off, an executed and notarized or authenticated certificate of consent for all mortgagees/vendors shall be included following the Owner's Certificate(s).
16. If a mortgage or other financial instrument is reported in record title, but has been satisfied or no longer encumbers the lands or ownership within the CSM boundary, a copy of a recorded satisfaction or release document for said instrument shall be provided prior to CSM approval sign-off.
17. A Consent of Lessee certificate shall be included on the CSM for all tenant interests in excess of one year, recorded or unrecorded, and executed prior to CSM sign-off.

Stats., the property owner shall pay all real estate taxes that are accrued or delinquent for the subject property prior to CSM recording. This includes property tax bills for the prior year that are distributed at the beginning of the year. All known special assessments are due and payable prior to CSM approval sign-off. If special assessments are levied against the property during the review period and prior to CSM approval sign-off, they shall be paid in full prior to CSM sign-off.
19. Pursuant to MGO Section 16.23(5)(g)(4), the owner shall furnish an updated title report to Jenny Frese (jfrese@cityofmadison.com), as well as the survey firm preparing the proposed CSM. The report shall search the period subsequent to the date of the initial title report submitted with the CSM application and include all associated documents that have been recorded since the initial title report. A title commitment may be provided, but will be considered only as supplementary information to the title report update. The surveyor shall update the CSM with the most recent information reported in the title update. Staff reserves the right to impose additional conditions of approval in the event the title update contains changes that warrant revisions to the CSM.
20. The following revisions shall be made to the CSM prior to final approval and recording:
 - a) Add owner name to the Owners Certificate on Sheet 3.
 - b) If all parties of interest agree that certain easements and encumbrances are no longer necessary, the documents to accomplish said release or termination shall be recorded prior to CSM approval sign-off.
 - c) Liens or judgments levied against the lands within the CSM boundary shall be satisfied, with proof of satisfaction provided prior to CSM approval sign-off..
