Dear ALRC,

The Tenney-Lapham Neighborhood Association (TLNA) is supportive of Hot Lunch's plans as shared with us and of their application to serve alcohol at their establishment.

Hot Lunch shared their business plan with our neighborhood and recently hosted an open house at their business for neighbors to ask questions and voice feedback. There were no concerns expressed about their operation or alcohol service plan, and several neighbors are excited about their addition to our neighborhood.

Thanks for your consideration.

Sincerely,

Tyler Lark

2022 President
