I would like to register my opposition to action item #74521 scheduled for this evening's 5:30 pm meeting.

Omega School provided the opportunity and resources for Nico (my son) to complete his HSED as he lacked 2 credits to join his classmates at the MMSD graduation. After being informed by the Asst Principal that he would not walk with his class, we searched for other options and we found Omega School.

Omega School provided the staff, guidance and educational resources to motivate Nico to earn his HSED. This has opened many doors for Nico.

Many students benefit from Omega School and so I oppose cutting funding from Omega School.

Thank you.
