Re: Planned Demolition of the "Gallery" Building, 6209 Mineral Point Rd.

Oakwood Village is proposing to demolish the existing Gallery building, located at 6209 Mineral Point Road. The facility has been vacant 3+ years. It is Oakwood's intention to restore the footprint of the building and any temporary demolition zone with landscaping that will enhance the existing campus and support life enrichment of Oakwood residents.

The proposed start date is late 2022, with a completion date of spring 2023.

Thank you for the consideration of the submittal request.
